Leadership in an Organization Begins With Education...Be Ready.
Turn Your Associate Degree Into a Bachelor's Degree.

Organizational Leadership
The Bachelor of Arts in Organizational Leadership is a 48-semester hour degree program that produces graduates with the needed skills and theoretical background to be effective in leadership related positions. This interdisciplinary degree also provides the appropriate background for students planning to attend graduate programs in leadership, business, public administration, and other social science disciplines.

Advantages of this Accelerated Bachelors Degree Program
• Can be completed in 16 months
• Students can earn 48 semester credit hours toward the degree
• Each class is 8 weeks (6 credit hours)
• Classes held year round in cohort settings
• Attend class only one night a week
• Tuition rate is "locked in" (Conditions apply)

Program Objectives
- Learn key elements of organizational structures that impact changing corporate, non-profit and governmental arenas.
- Understand the role and value of effective communication in the changing organizational environment.
- Identify and articulate standards for positive, ethical and value centered changes in organizational settings.
- Study leadership styles most conducive to effectively leading and managing in a changing organizational culture.
- Examine effective assessment and evaluative processes and strategies pertinent to a changing organizational environment.
- Analyze the role of social, cultural and individual needs in organizations that are marked by change.
- Investigate principles of effective human resource administration in periods of organizational change.

Prepares students for leadership roles in:
• private corporations
• non-profit agencies
• government agencies
