

1949

*This is the "preamble in miniature" of Reinhardt—
its leadership, its scholarship, its character, its activities—
its very essence of living that is destined to become
even greater in the future—a written preamble exemplified
pictorially through the pages of this, your
1949 Cherokee Phoenix.*

Our Museum

Dedicated

To Dr. Samuel Candler Dobbs, true friend and faithful benefactor of Reinhardt College, whose noteworthy life as a Christian educator is exemplary of the highest in noble living and whose guidance for a quarter of a century envisions the destiny of the college to enjoy the fruits of a better tomorrow — a tomorrow nurtured from the abundance that will be ours.

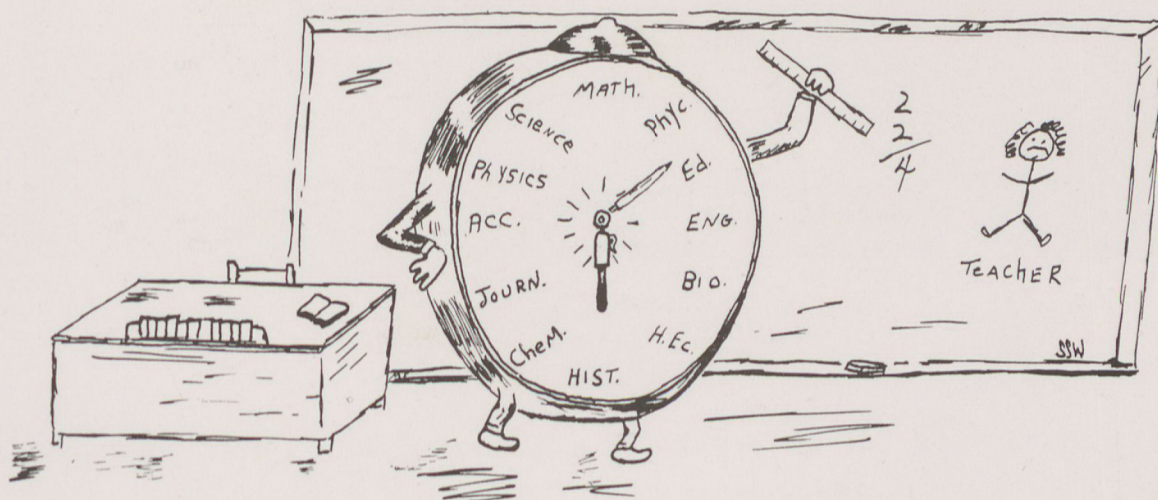

DR. SAMUEL C. DOBBS

*"Upon our lips the breath of song,
Within our hearts a rhyme,
Howe'er time trips or lags along,
We keep abreast with time!"*

—The Staff.

Administration

"A teacher affects eternity; he can never tell where his influence stops."

To the Members of the Class of 1949

Tomorrow's history will be written on the dreams and toil of today. My heart's desire for you is that your high hopes be realized through joyous and fruitful living.

Sincerely,

J. R. Burgess, Jr.

The Phi Delta Literary Society, an organization for women, is designed to develop the highest educational ideals through a liberal exchanging of ideas upon suitable subjects and to encourage the acquisition of a correct and well-ordered mode of speaking.

Haygood Literary Society

The Haygood Literary Society, in following the tradition of the South's greatest orator, Atticus G. Haygood, for whom the organization was named, incorporates the principles for which the bishop stood in his motto, "In God we trust." Any male student of Reinhardt College or Academy who is honest, upright and worthy of confidence may be admitted to membership in the society.

The Reinhardt College Glee Club, composed of students who enjoy singing, is one of the more important organizations on the campus. From the beginning of the school year, the members sing for banquets, chapel programs, and at graduation as well.

The annual tours of the Glee Club are recognized as one of the most significant and most satisfactory means of presenting Reinhardt College to the world — to Georgia — as the eager, talented singers lift their voices in blissful song to varied audiences — singing that creates thoughts both kind and proud of the organization and the college.

Eighth Grade

Our class has the distinction of being the first at Reinhardt to complete five years of high school. As we begin our first year in high school, we have as our aim to prepare ourselves, not only for fuller participation in school life but in the art of living as well.

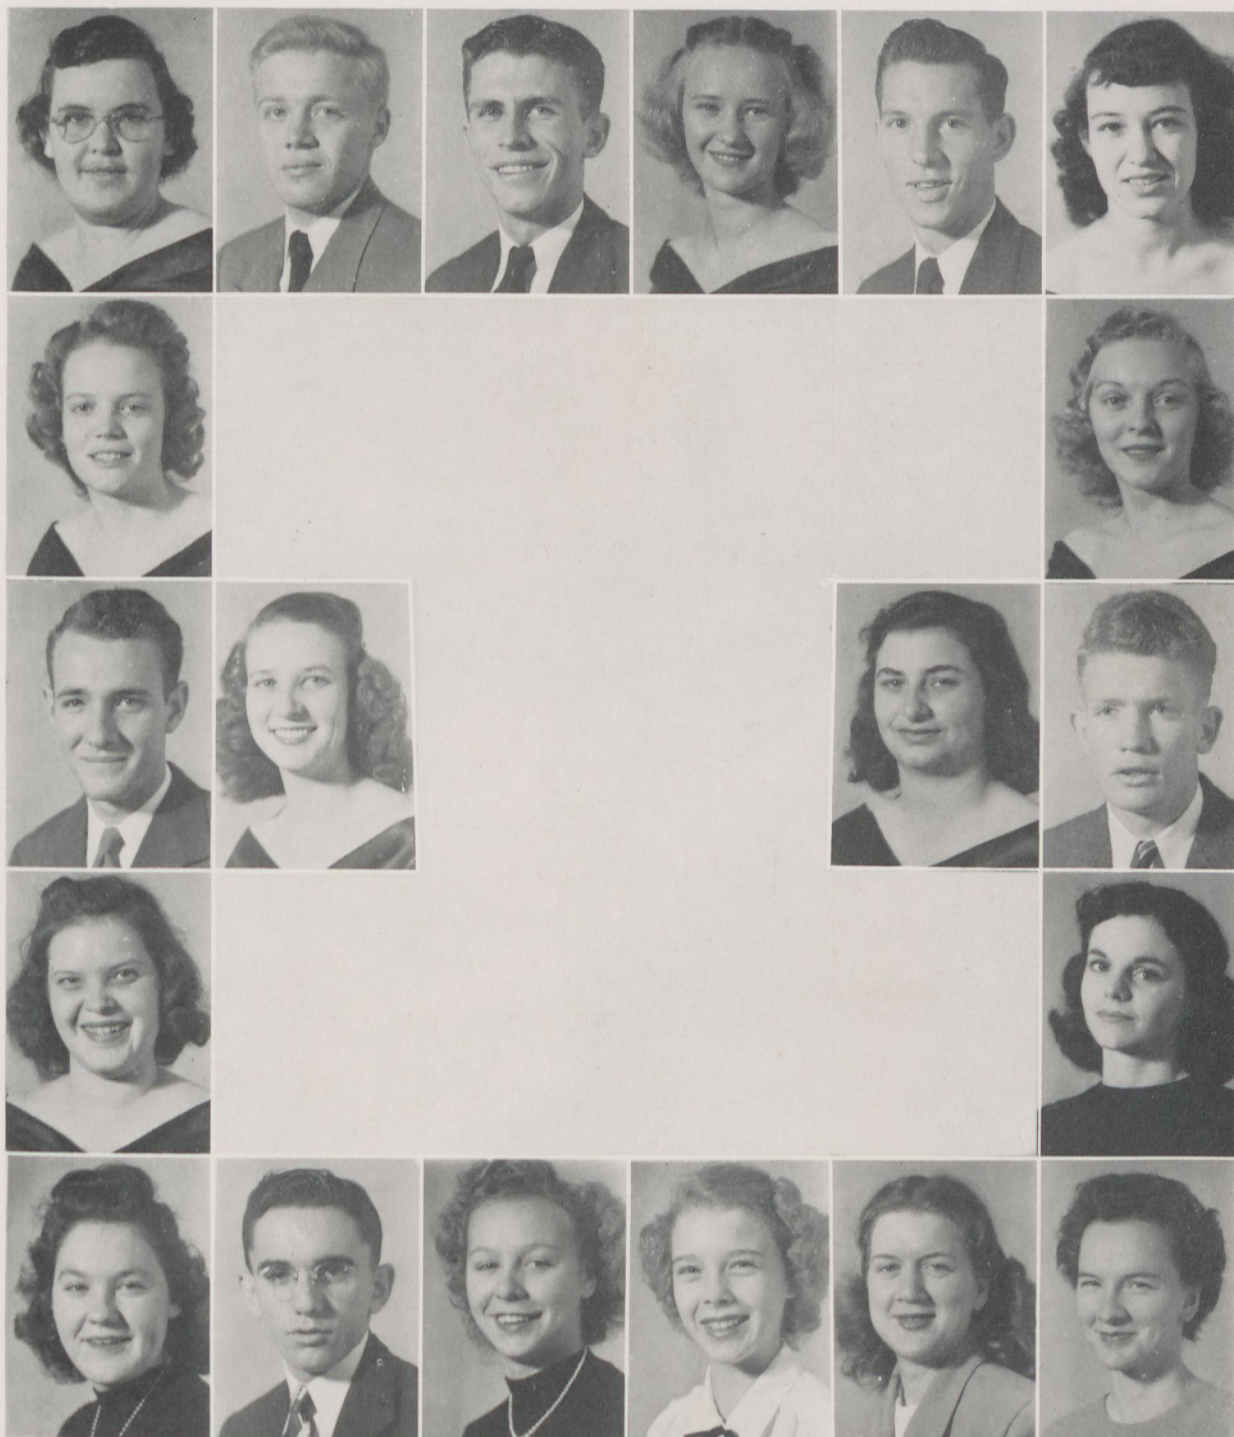

Once a month we have a birthday party remembering those with birthdays then. A marionette show, a Christmas party, music and our newspaper are an integral part of our work and fun.

Celebrities Visit Reinhardt

Miss Beverly Wolfe, contralto, Atlanta, Georgia, made a formal appearance at Reinhardt September 30, 1948.

Ollie Reeves, Atlanta, Poet Laureate of Georgia, speaker at Christmas banquet December 15, 1948.

TIME

We ask each other . . . "What is Time."
Time is an endless river,
A melody, a song, a rhyme,
Eternal as its giver;

And borne upon its ceaseless streams,
Throughout eternity,
The untold cargoes of our dreams
Reach the deep, unknown sea.

—OLLIE REEVES

*Poet Laureate
State of Georgia.*

Alma Mater

Far up in the mountains' azure
Blessed with ideals true,
With influence most inspiring,
Reinhardt, we love you!

In thy splendor stand forever
Spread thy fame afar,
Give to all a helping hand,
Be our guiding star.

In our memory cherished ever,
We will loyal be.
May each year bring forth more honor,
Is our hope for thee.

CHORUS:

We will praise thee, ever praise thee,
Be always sincere,
We'll uphold thy purpose high,
Alma Mater dear.

"Whatever thing the scythe of time mows down."

Research began when the first man began to wonder, why? Millions of conveniences and billions of dollars later, we are now in the Atomic Age — all because the first man wondered, why.

The research laboratories of Standard Oil Company have given to the Automotive world such products as MOBIL and ESSO Motor Lines, Standard Oil and MOBIL Greases and the Atlas line of accessories. Few brands can match these results of exhaustive research and none can better them. Any Standard Oil Dealer can give you these protective products with the assurance of long range economy.

No more beautiful or more permanent material may be used in the construction of a building of any type than the pink rubble being mined from our quarry.

"Cheaper than brick, it will never require painting and it has a warmth of natural color not available in any other stone."

By keeping quarrying costs low and selling direct, we can quote prices which may enable you to save considerable money on your building plans while securing a much more desirable structure.
