Presenting

THE CHEROKEE PHOENIX

EDITOR'S NOTE—

With this publication of the 1950 Cherokee Phoenix we present the efforts of all who gave of their time and energy to make this a more complete and interesting view of the school, its activities, faculty, and student body.

ANN SEWELL

ALMA MATER

*Far up in the mountains' azure,
Blessed with ideals true,
With influence most inspiring,
Reinhardt, we love you!*

*In thy splendor stand forever,
Spread thy fame afar,
Give to all a helping hand,
Be our guiding star.*

*In our memory cherished ever,
We will loyal be.
May each year bring forth more honor,
Is our hope for thee.*

*We will praise thee, ever praise thee,
Be always sincere,
We'll uphold thy purpose high,
Alma Mater dear.*

A Student enters Reinhardt . . . years spent in study, in play, in making friends, in learning to live with a group . . . years spent in preparing for life, in forming a philosophy, in building a religion.

Dedication

To Mr. J. R. Burgess Jr., President of Reinhardt Junior College, who by your undaunted spirit, unceasing efforts, and prayers, has made Reinhardt a better place in which to spend our school days, we dedicate this 1950 Cherokee Phoenix.

We have found in you, one to whom we can turn with hope and confidence when grievous problems develop, and we recognize and appreciate your ability to find the proper solutions to these perplexing situations.

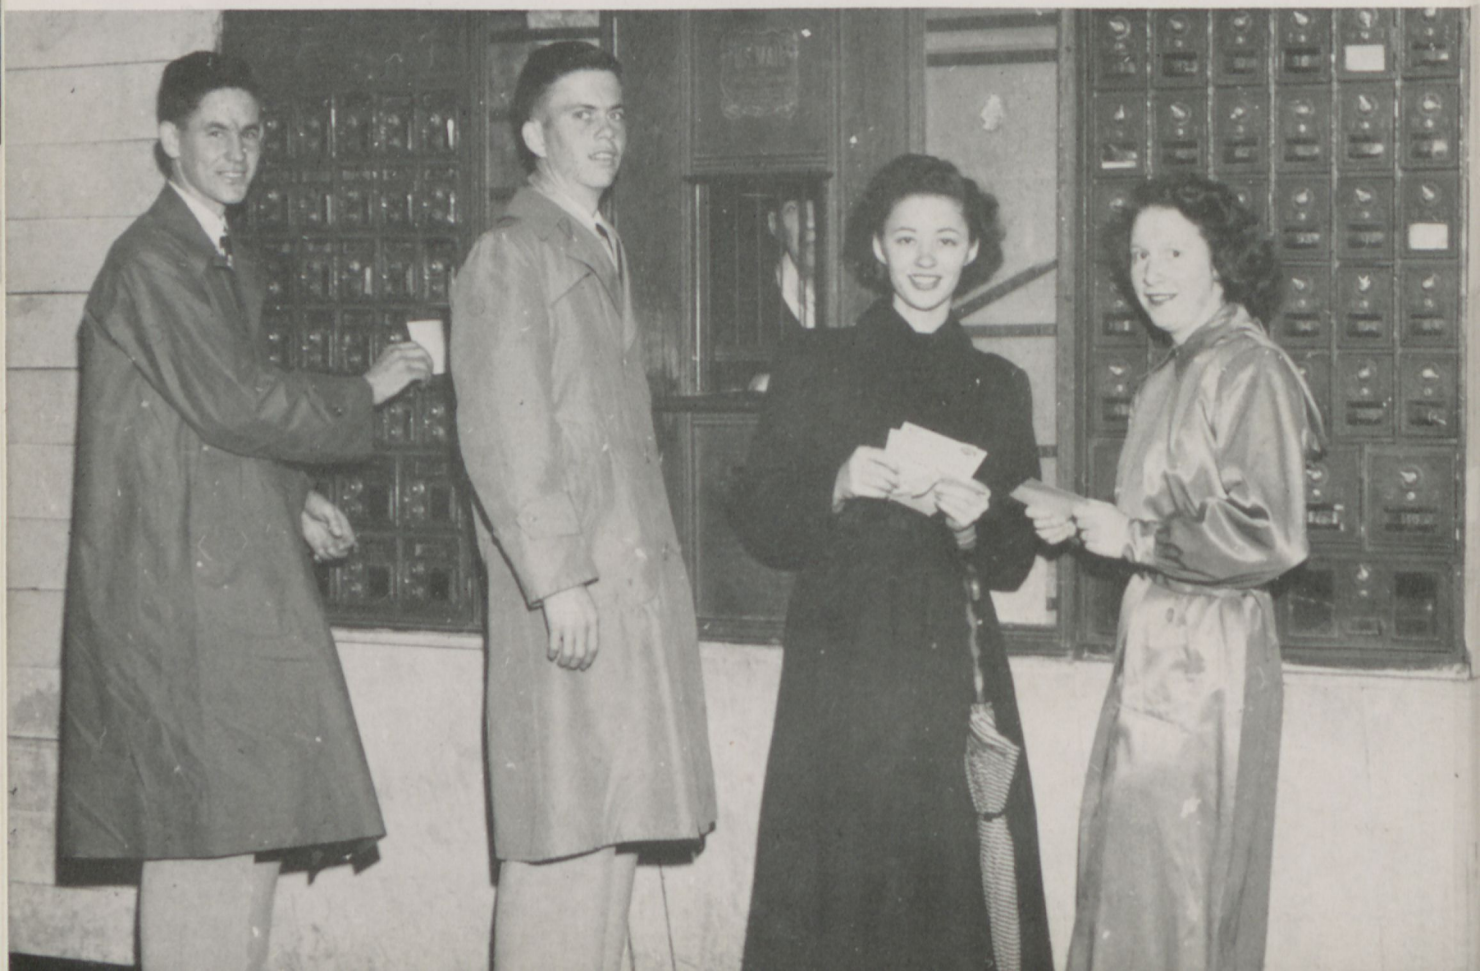

It has been with a deep feeling of sincerity that you have given us friendship, loyalty, and service.

And to Mrs. Burgess, who constantly gives inspiration, encouragement, and help, not only to our president but also to us.

We, the senior class, wish to express to you our greatest thanks and appreciation for all you have done and are doing, and to tell you that you hold a high place in the hearts of this student body.

PRESIDENT AND MRS. J. R. BURGESS, JR.

MR. J. R. BURGESS, JR., M.A., M.Ed.

President

*May your faith be equal
to your dreams and may
your courage match
your opportunities.*

Dr. T. S. Buie, regional conservator, Soil Conservation Service, presents Mr. J. R. Burgess, Reinhardt's president, with a photograph of Vice-President Alben Barkley who was guest speaker when the college farm was made over May 18, 1949.

One thousand Veteran
Farm Trainees build
five miles of fencing.

An all-steel farm shop
building is erected.

Three hundred tons of
agricultural limestone
is spread.

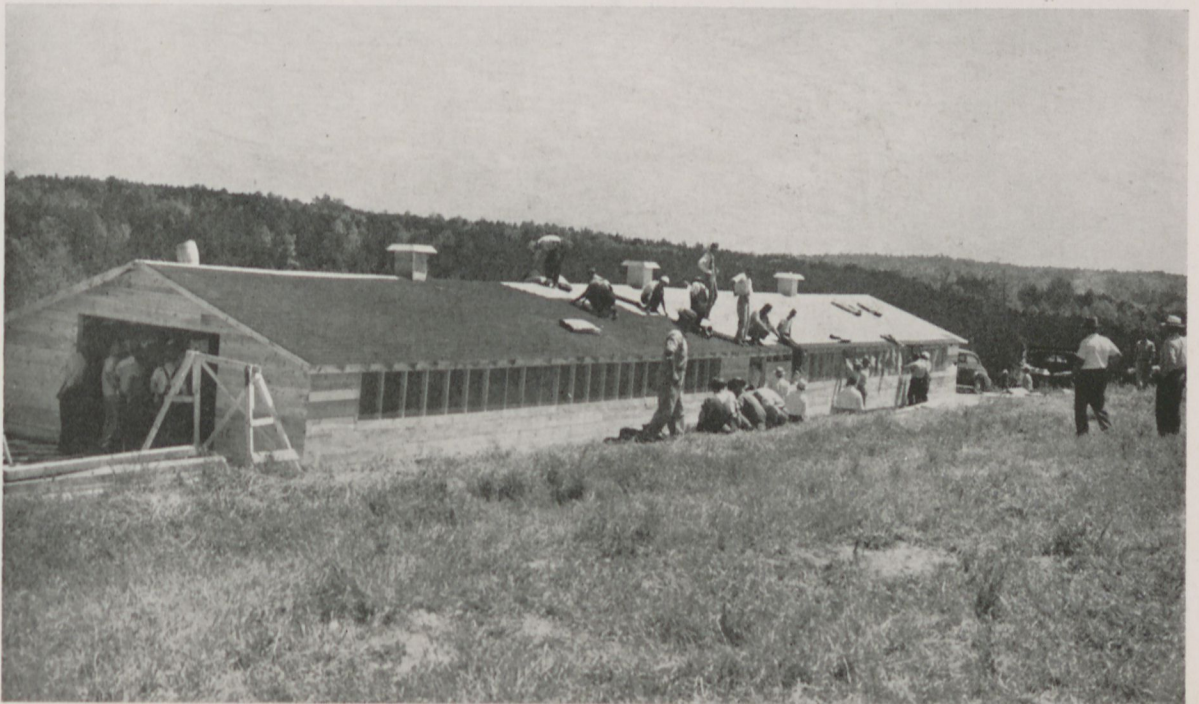

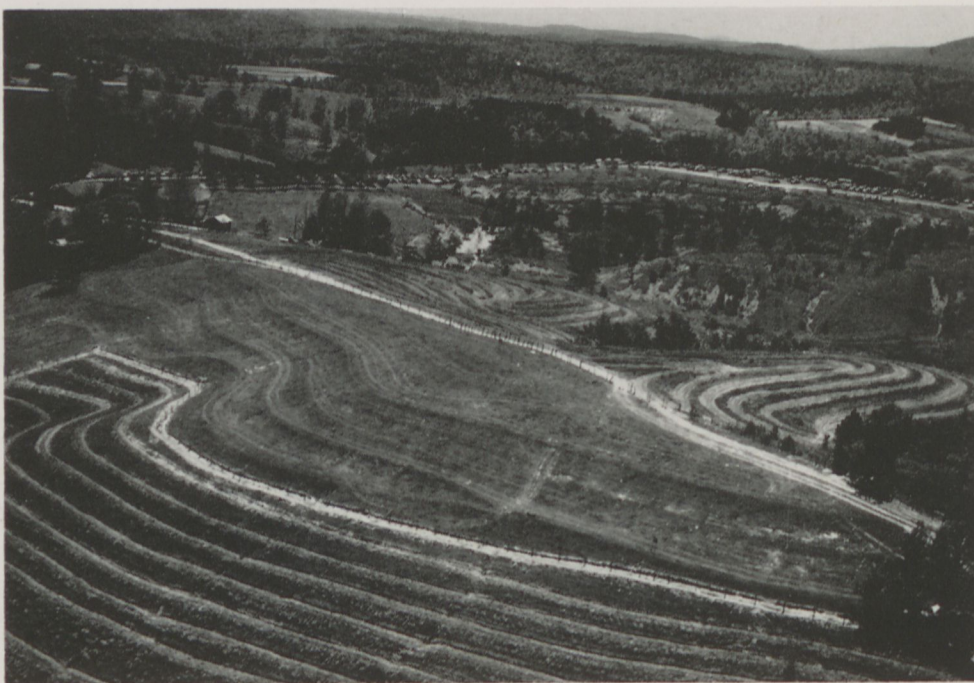

Scenes on college farm during one-day master farm demonstration.

The Knox Home is built in twelve and one-half hours.

A 3000-capacity broiler house is built, equipped and filled with baby chicks.

Kudzu is planted on the contour.

Lespedeza bi-color is planted for wildlife borders.

4,000 feet of ditches dynamited.

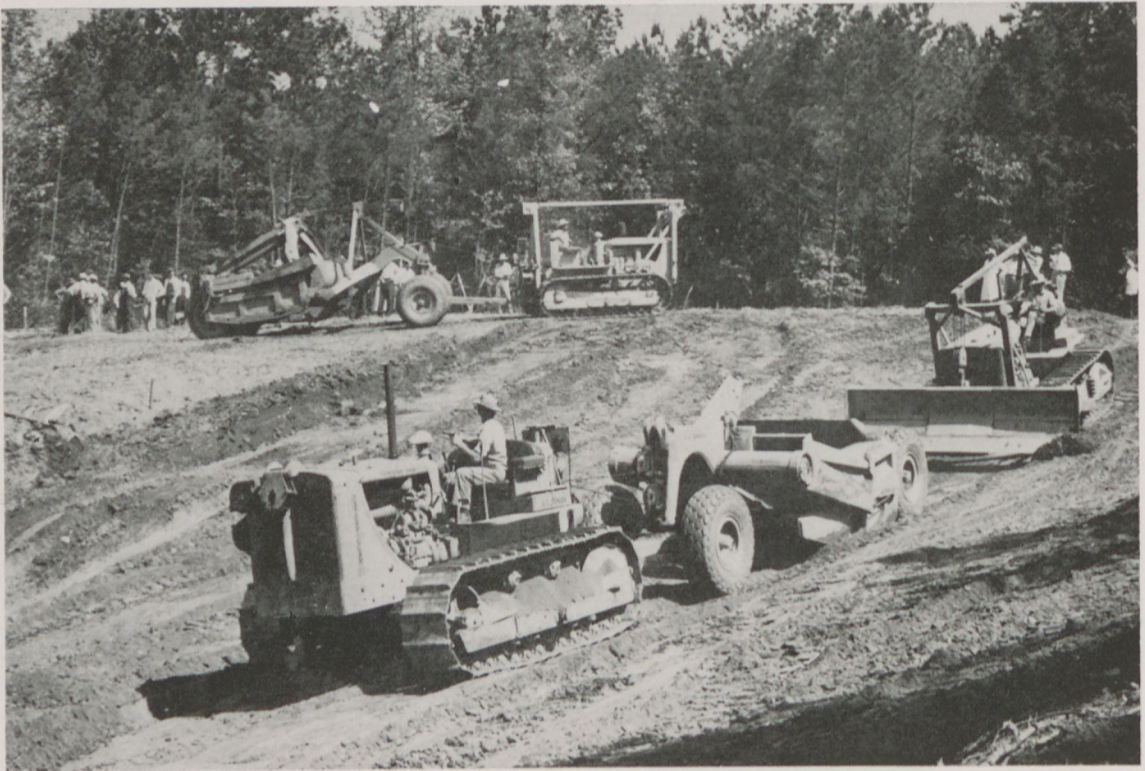

Aerial view of drag-line shovel at work.

Vice-President Alben Barkley delivers principal address.

A farm pond is built by heavy duty Caterpillar equipment.

A new channel is dug for Reinhardt Creek.

On July 14, more than a hundred men from the Town and Country Ministers School from Emory University visited Reinhardt College for a farm tour, conducted by Dr. T. S. Buie, Regional Conservator, Soil Conservation Service, Spartanburg, S. C. The ministers were served lunch in the college dining hall, and a short program followed.

Mt. Zion Church near Waleska where the ministers took an offering to start an improvement fund.

A rock foundation wall is part of the plan for improving and preserving Old Reinhardt Chapel.

The ministers studied soil conservation methods and their influence on rural economic, social, and spiritual life.

Two Senior graduates from Reinhardt with memories of Christmas Caroling, of the Hallowe'en Carnival, of the boy's and girl's literary debates, and of Commencement. They stand at the door of a new life, but they carry away with them memories which will keep alive in their hearts the spirit of Reinhardt.
