Oh! I Hate That Ball.

Dr. J. R. Burgess has been President of Reinhardt College for 20 years. He is a sincerely dedicated man who has given much to our school. Every graduate will carry with him the memory of this kind and understanding person.

J. R. BURGESS, JR.
PRESIDENT

To Each Member of the Class of 1965:

Education is the communication of all that man has learned through the ages and the application of man's best ideas to present problems and wise planning for the future.

Among the marvels of the present age is the tremendous advance in the speed and range of communication through visual images and sound which can be transmitted live, recorded, or reproduced.

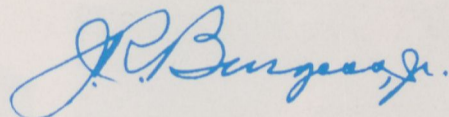

Yet people throughout the world in backward countries and even in the most advanced countries are confused by the conflict of ideas and the multitude of persuasive admonitions. We recall that Germany, once recognized as the highest seat of learning, was wrecked by the barrage of hateful and deceitful propaganda of Hitler.

Our salvation lies in our ability to evaluate correctly the vast number of ideas that are communicated to us. We cannot afford to believe only that which pleases us or that which has the appearance of truth. We must consider the source; we must check the documentation; and we must be willing to measure each idea by an accepted standard.

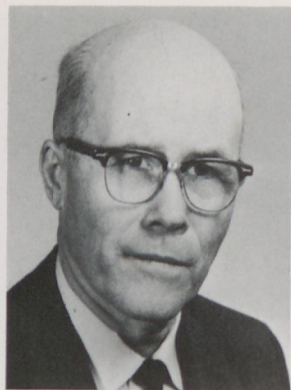

The best test of any idea is its compatibility with the heart of the Christian faith, "Thou shall love the Lord thy God with all thy heart, with all thy mind, and with all thy strength" and "Thou shalt love thy neighbor as thyself."

May your education enable you to have the greatest possible understanding and be the best possible influence in a Wonderful World and a Challenging Age.

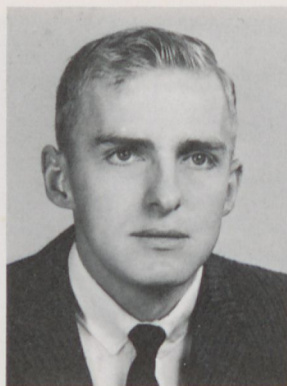

Sincerely yours,

J. R. Burgess, Jr.

Wishes Good Luck to All
Students & Faculty of Reinhardt

ALMA MATER

Far up in the mountains' azure
Blest with ideals true,
With influence most inspiring
Reinhardt, we love you.

In thy splendor stand forever,
Spread thy fame afar;
Lend to all a helping hand,
Be our guiding star.

In thy memory cherished ever,
We will loyal be;
May each year bring forth more honor
Is our hope for thee.

Chorus

We will praise thee, ever praise thee,
Be always sincere;
We'll uphold thy purpose high,
Alma Mater, dear.

ALMA MATER

For us in the morning
When the sun is low
With the birds and the bees
Singing in the trees

In the afternoon when the sun is high
When the birds are singing
And the bees are humming
In the garden and the field

In the evening when the sun is low
When the birds are singing
And the bees are humming
In the garden and the field

CHORUS

We will sing to you, Alma Mater
When you are old and grey
We will sing to you, Alma Mater
When you are old and grey
