REINHARDT COLLEGE VOL. XXVI 1973

THE 1973 CHEROKEE PHOENIX

EDITOR—Jan Fitts

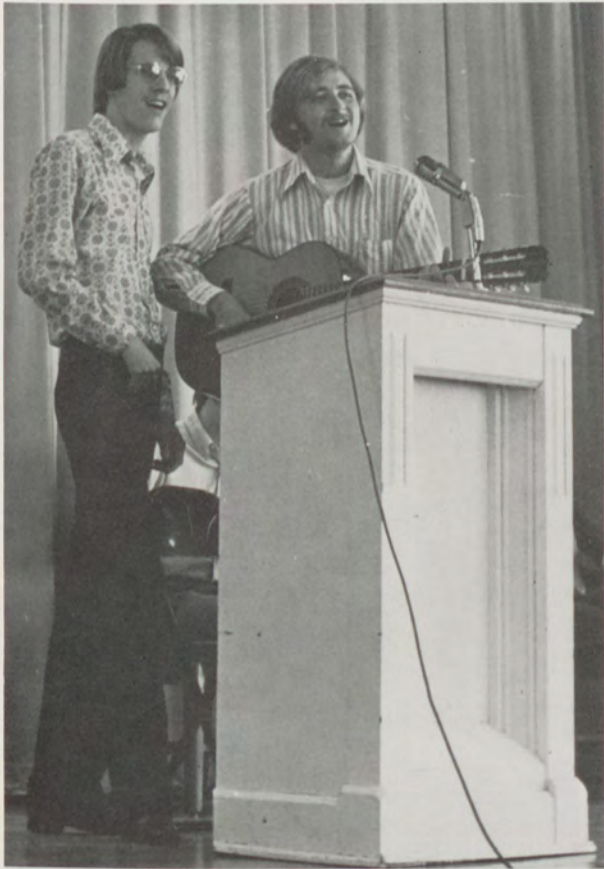

ASSISTANT EDITOR—Sandra Whitfield

ADVISOR—Miss Ginger Pyron

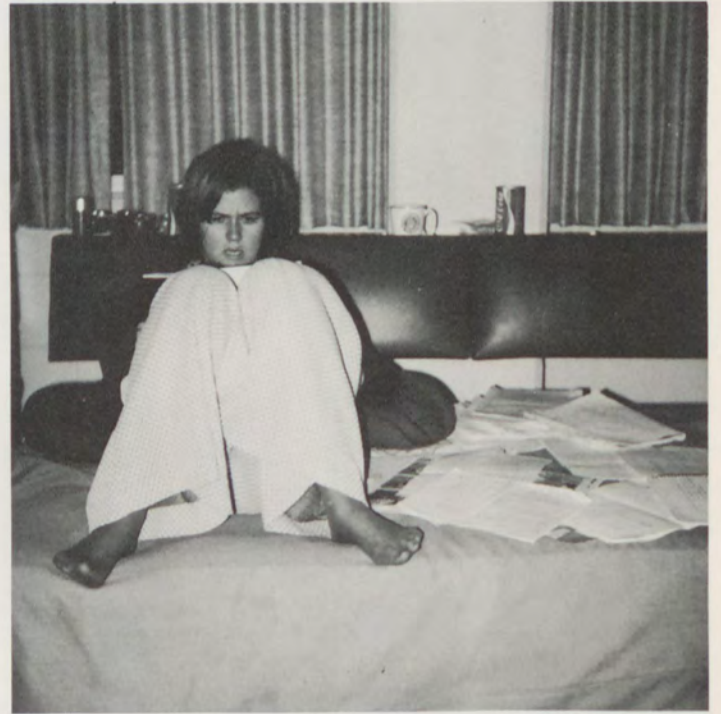

COME TOGETHER

*For our world
The circle turns again
Throughout the year
We see the seasons change*

*Its meant a lot
To me to start anew
Oh the winter's cold
But I'm so warm with you*

*Out there there's not
A sound to be heard
And the seasons seem
To sleep upon their words*

*As the waters freeze
Up with the summer's end
Oh its funny how young lovers
Start as friends*

*Yes its funny how young lovers
Start as friends.**

*From the album "Friends" by Elton John.

J. R. BURGESS, JR.
PRESIDENT

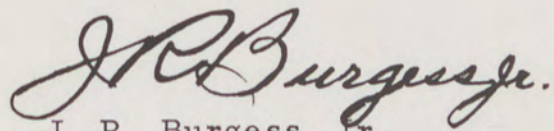

To The Members of the Class of 1973:

Since your class is my twenty-ninth and last graduating class, I would naturally hope that someone in the group would become very rich, very famous, or both.

To be rich, or be famous, or even to be happy is not the highest goal in life. To me the highest goal in life is to be good. By being good I mean being worthwhile. To seek the best possible development of one's body, mind, and spirit for the benefit of Mankind is life's highest goal. This kind of development comes from a belief in God and the inherent value of goodness. Our best example is found in the life and teachings of Jesus.

Seek to become the finest person you can possibly be! Work to build a better world for all Mankind! If you become rich or famous and happy, that will be wonderful. I'm sure that I will always be proud of the Class of '73.

Sincerely yours,

J. R. Burgess, Jr.

Looking back over my two years at Reinhardt, the most meaningful part for me has been coming together, meeting new ideas and concepts, a new way of life and, most important, new people who became friends. These will someday be memories, different for each of us. No one can grow into the future while living in the past, but it is my sincere hope that when any of you want to visit it for your own special memories, the 1972-73 Phoenix will help you remember the good times at Waleska U.
