

CHEROKEE PHOENIX '74

**1974 CHEROKEE PHOENIX
REINHARDT
COLLEGE
WALESKA, GEORGIA**

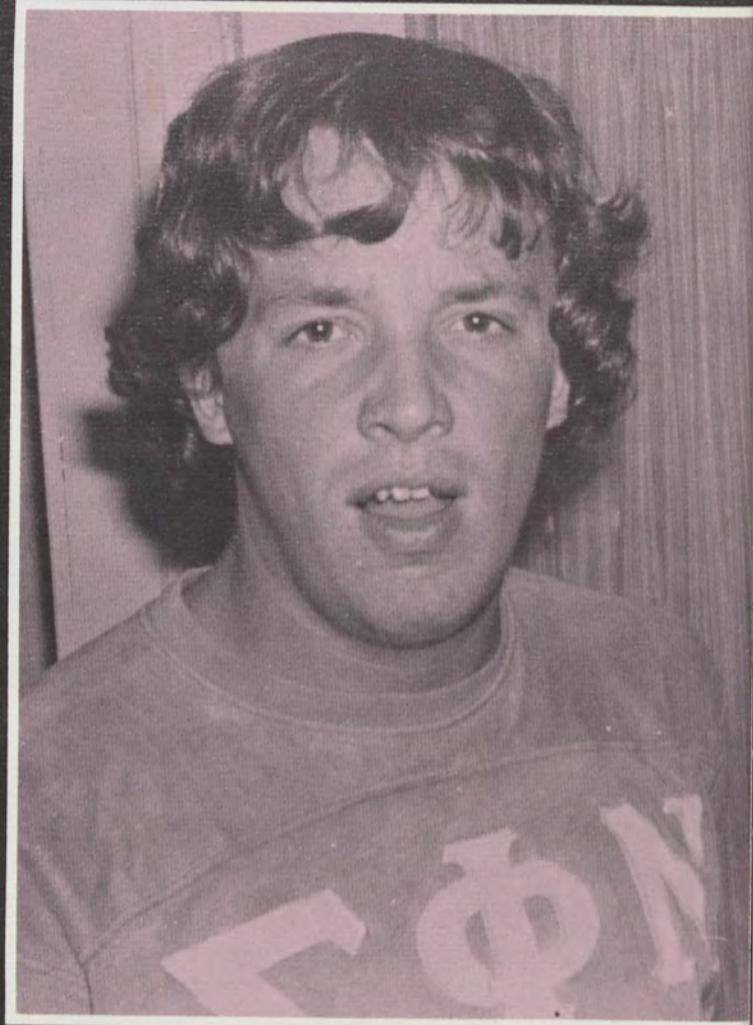

For many the journey to Reinhardt is long and filled with anxious thoughts. For others it's only a few miles down the road to Waleska, but for all of Reinhardt's students it is the beginning of a new life. This annual is about that way of life and through it hopefully you will understand more clearly the lifestyle which prevailed over Reinhardt College 1974. And so begins Clockwork 74, a countdown of moments in the lives of individuals who came in contact with the world of Reinhardt 74, this world and these moments are gone forever, captured only in the memories and hearts of those who experienced them.

The Cherokee Phoenix 1974

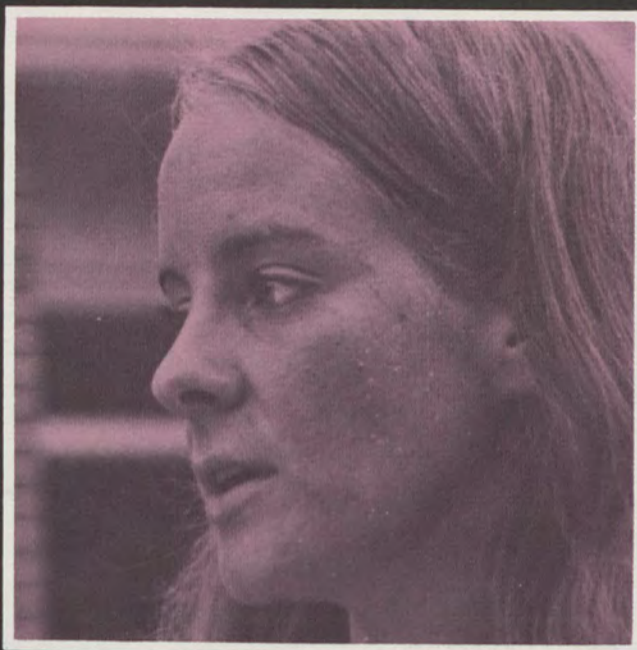

Why Reinhardt?

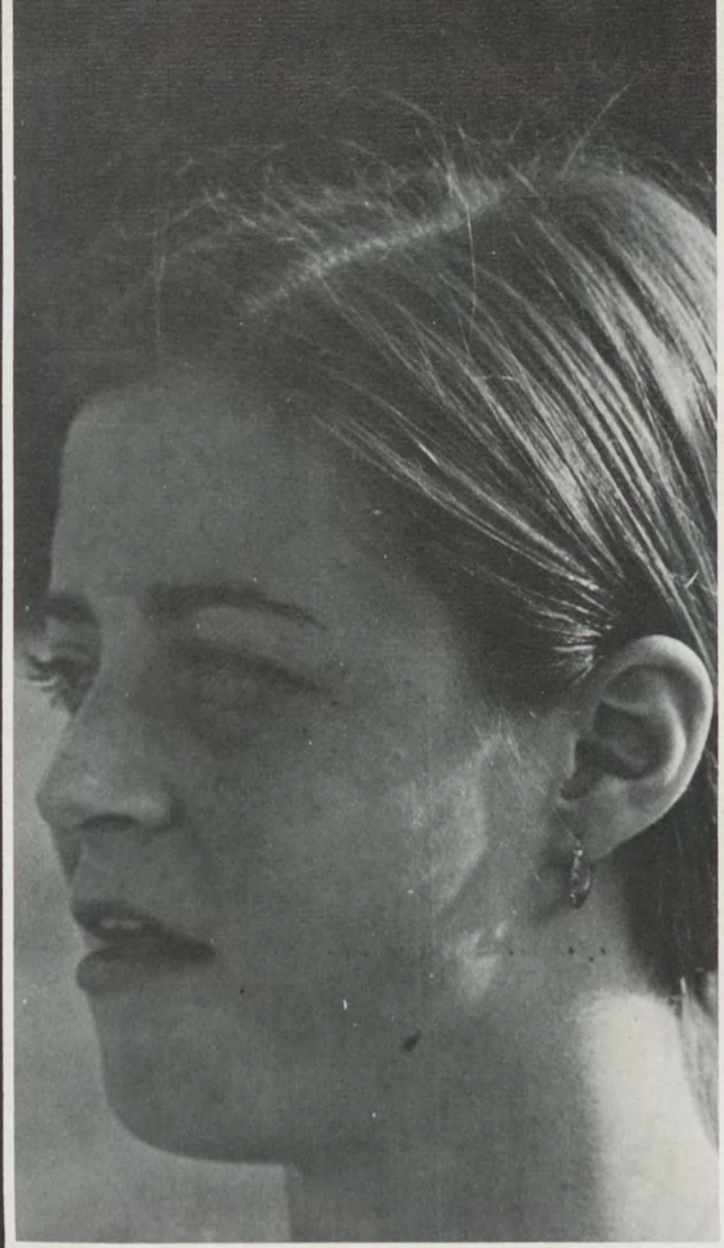

Monday morning's eight o'clock class, Wednesday's dreaded convocation and the possibility of a Thursday night party comprise the average week at Reinhardt College. Friday comes and within the space of an hour after the last class, cars blaze off towards a wild weekend in Athens or Atlanta. Reinhardt is left almost deserted with the exceptions of a few Greeks, Freaks, College Joes, and possibly an intellectual or two who remain behind to contemplate the mysteries of Science, Literature, and life; possibly you discover a few truths about yourself. Maybe the week's experiences weren't in vain, perhaps you learned a little. Maybe you've lived a lot. The alarm clock rings and it's time for Monday morning's eight o'clock class and the world of Reinhardt begins again.

What is Reinhardt?

Reinhardt is a typical small college, clinging to tradition, yet preparing for the future. Reinhardt means something different to each of it's students, for some it's the first time away from home and the frustration of making your own decisions. To others it's partying at the lake, beer, and a search for reality on a road that doesn't lead to truth.

When it's time to function as a feeling, Human being, will your Bachelor of Arts help you get by?

To Reach
and to
Achieve

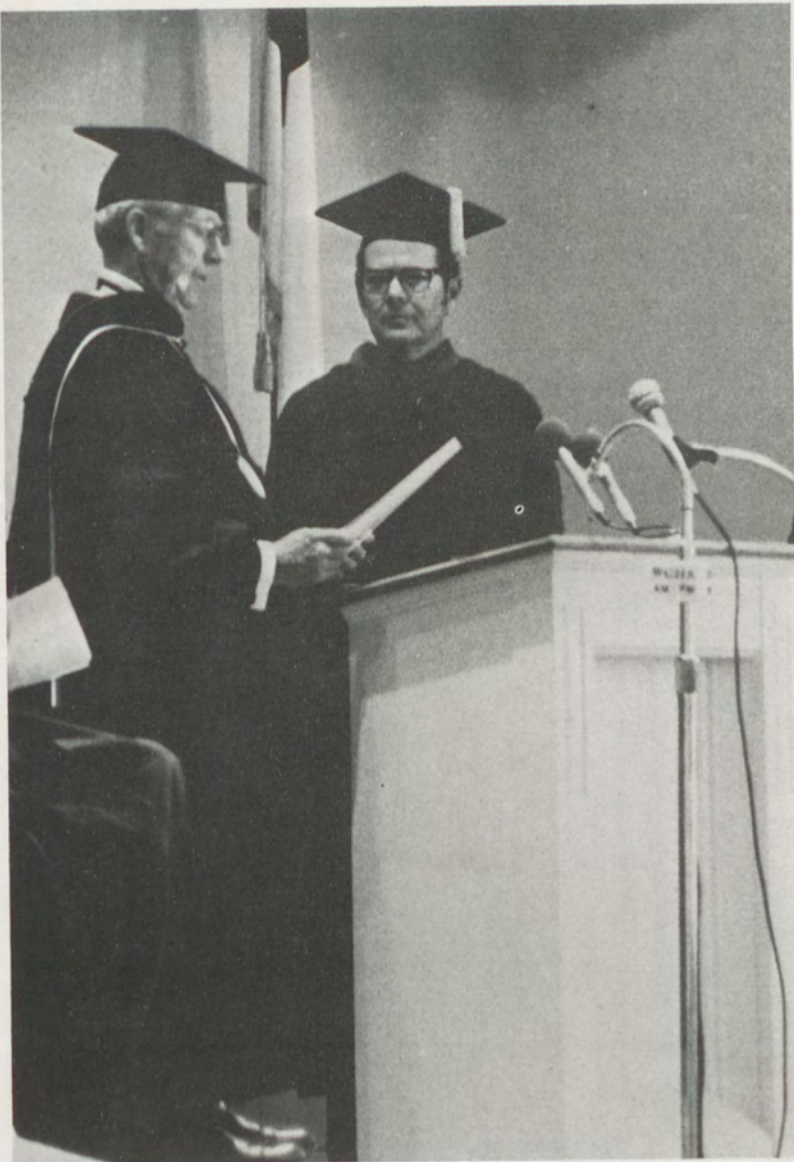

You as an individual trying to achieve your goals; reaching ever higher in a world where you are unique. All we ask is why discrimination, loneliness and pain still exist.

Dedication

Dedication

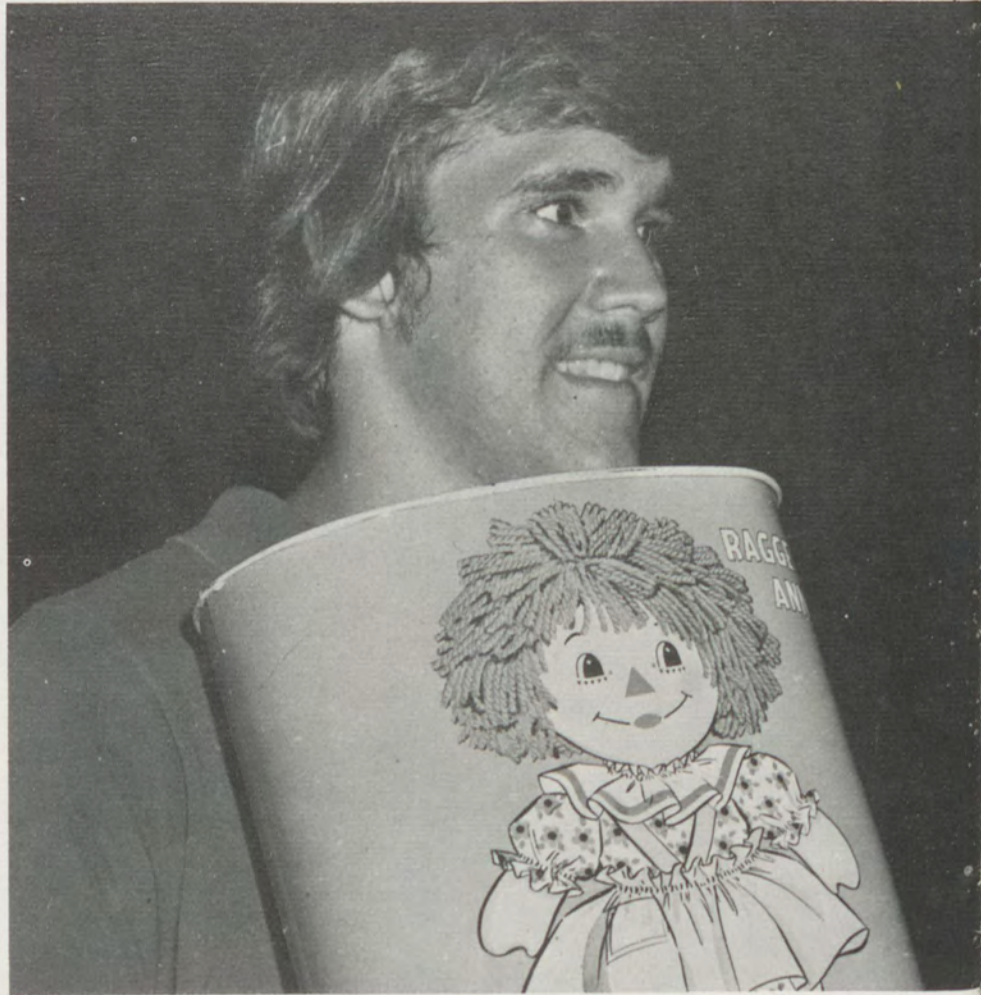

In Today's world where so many people are concerned with only themselves; it is unusual to meet someone with a genuine interest in others. We at Reinhardt are very fortunate to be near such a person. For this reason, the 1974 Cherokee Phoenix would like to dedicate this annual to Dr. Allen O. Jernigan.

Reinhardt Is Beauty Through Friendship

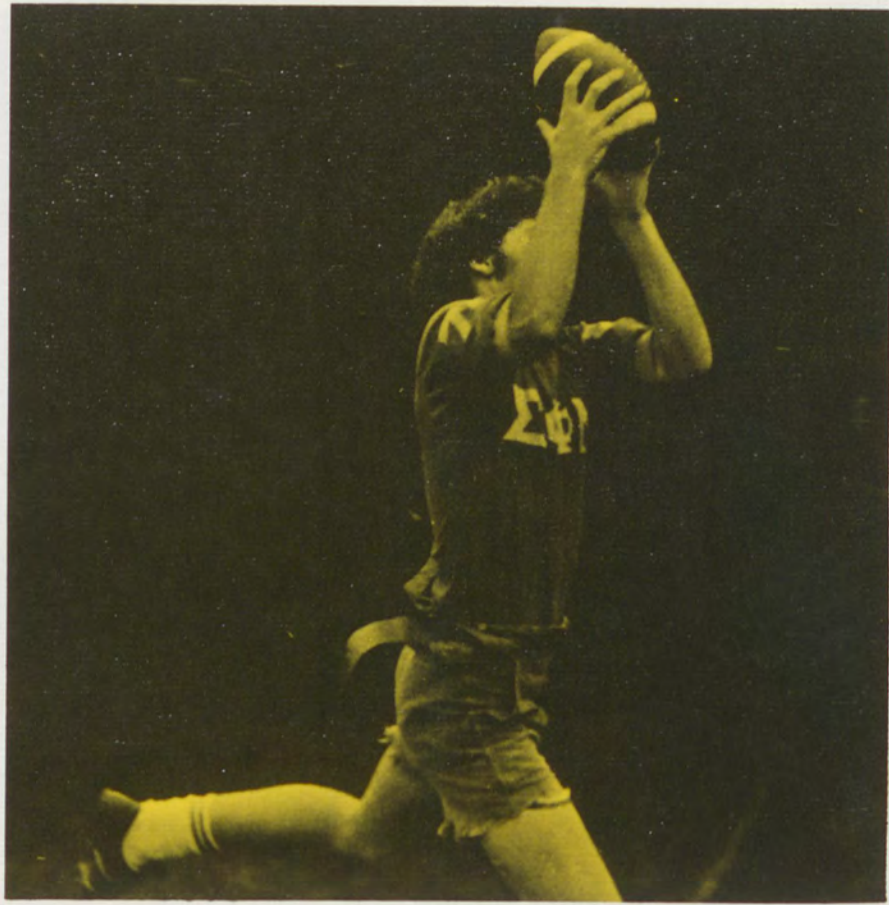

**Life
Styles**

People exhibit basic humanity through their expressions and reactions. Individuals who defy categories, simply because they are individuals, and more or less original. People who find unity through an awareness of each other, contribute to the creation of Life Styles.

The Search

People who search for reality often find they've lost it in their search. There are people with varied beliefs, some following the gentle lyrics of Bob Dylan, others screaming for social reform without any replacement except vague concepts of utopia. These aspects comprise Life Styles.

Jernigan will carry with him the best wishes of all those who seek prosperity for Reinhardt.

In a world that is racked by turmoil and alienation it is unusual to experience the happiness I have found at Reinhardt. This year Reinhardt College has been a world within a world where the joys and sorrows of life have joined together to comprise a lifestyle that is totally unique. As Editor of the 1974 Cherokee Phoenix I have tried to capture that lifestyle within this annual. It is my hope that you the student will enjoy this annual as much as I have enjoyed watching it grow and develop into what I consider to be the best annual Reinhardt College has ever had. Next year's annual will be better because next year's staff will learn from our mistakes just as we we learned from last year's mistakes. This yearbook is a chapter in your life it contains memories of moments which have faded into the past. Fate and the four winds may scatter us to all corners of the earth yet we are bound by a common bond. This book is that bond for upon these pages and within our hearts the memories of this chapter in our lives are trapped forever.
