*Memories can be friends,  
they can take you to a  
place you never thought  
you'd be again, take you  
to a place, you never ever  
thought that you would see again.*

*Cherokee Phoenix 1977*  
*Reinhardt College*  
*Waleska, Georgia*

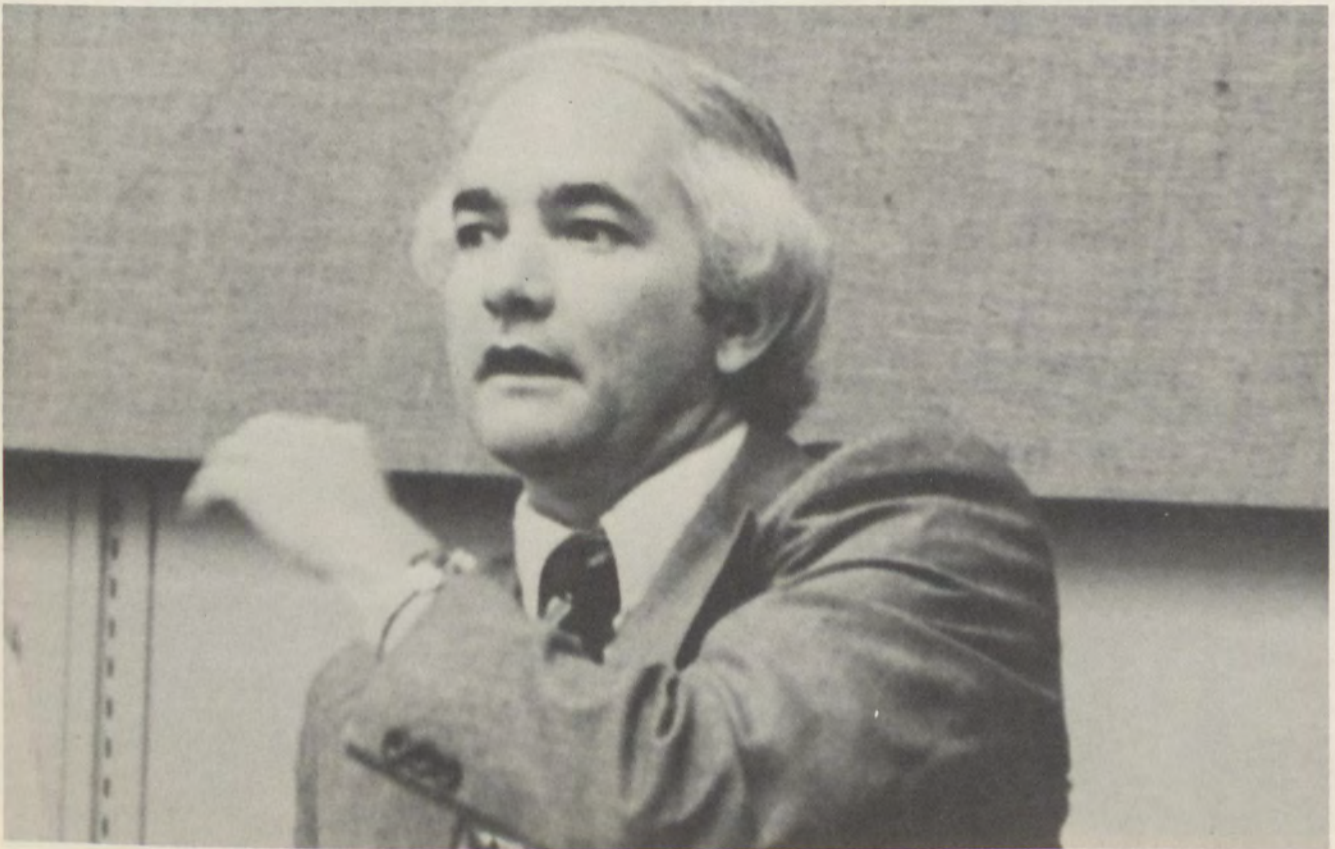

To one who is always willing  
to help— either by lending a  
sympathetic ear or helpful advice.

To one who has given more  
than just time to Reinhardt College,  
we, the 1977 Cherokee Phoenix Staff,  
dedicate this Annual.

*Dr. Floyd A. Falany*

Memories light the corners of my mind,

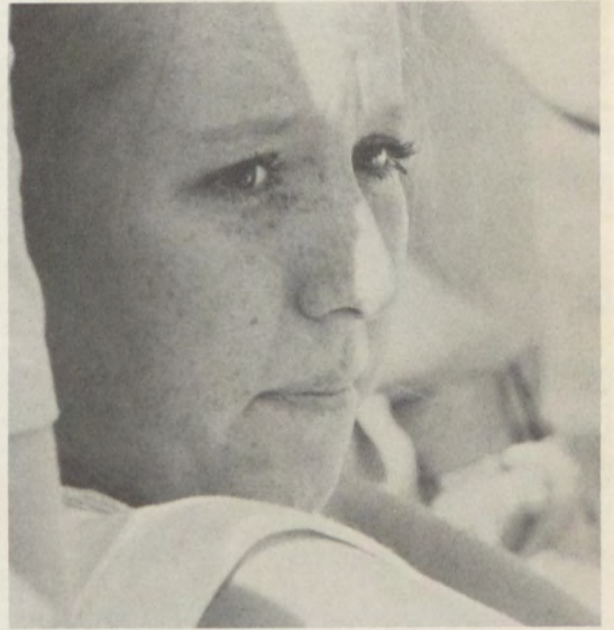

Misty water colored memories of  
The way we were.

Scattered pictures of the smiles  
 we left behind  
 Smiles we gave to one another for  
 The way we were.

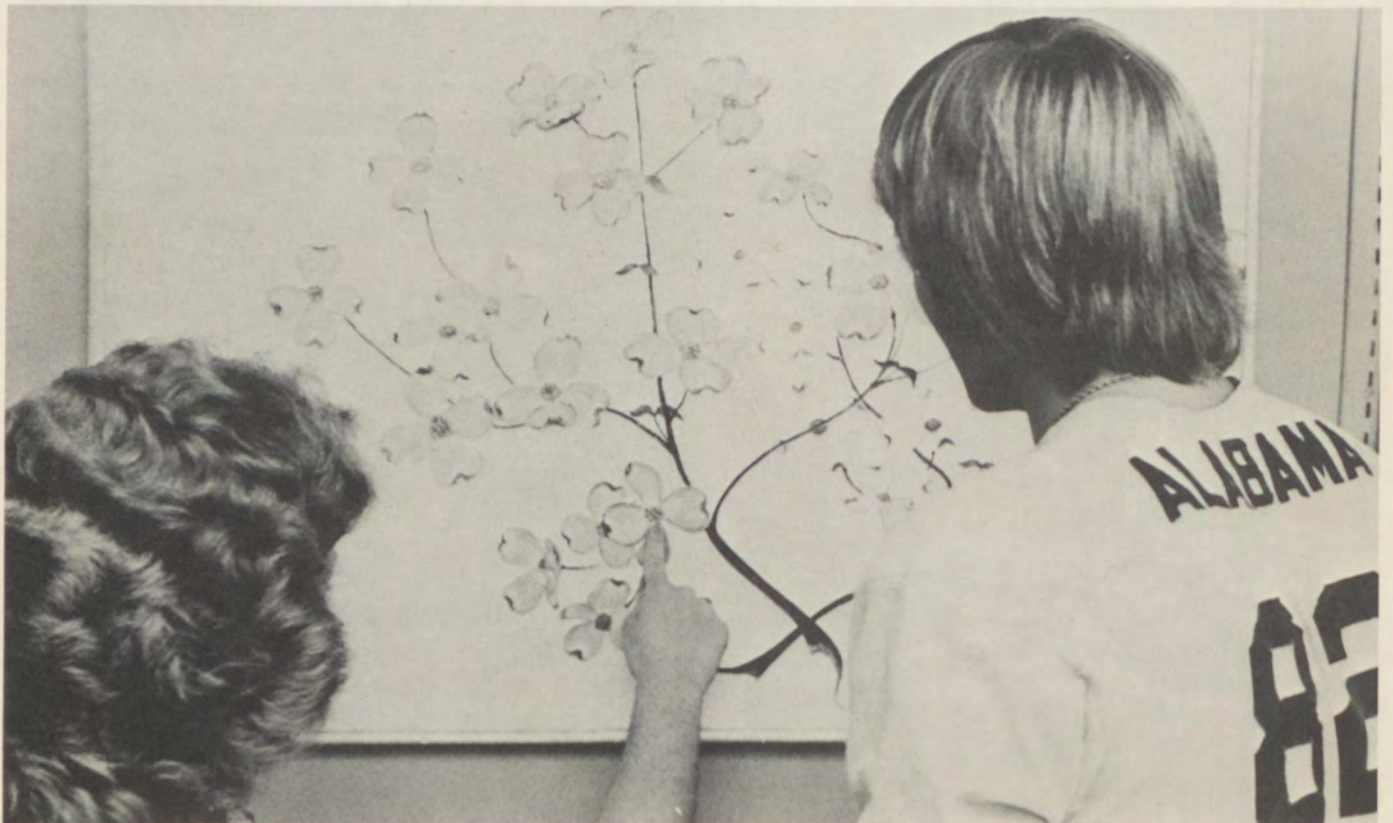

Can it be that it was all so  
simple then  
Or has time rewritten every line?

If we had the chance to do it all again,  
tell me. . . Would we? Could we?

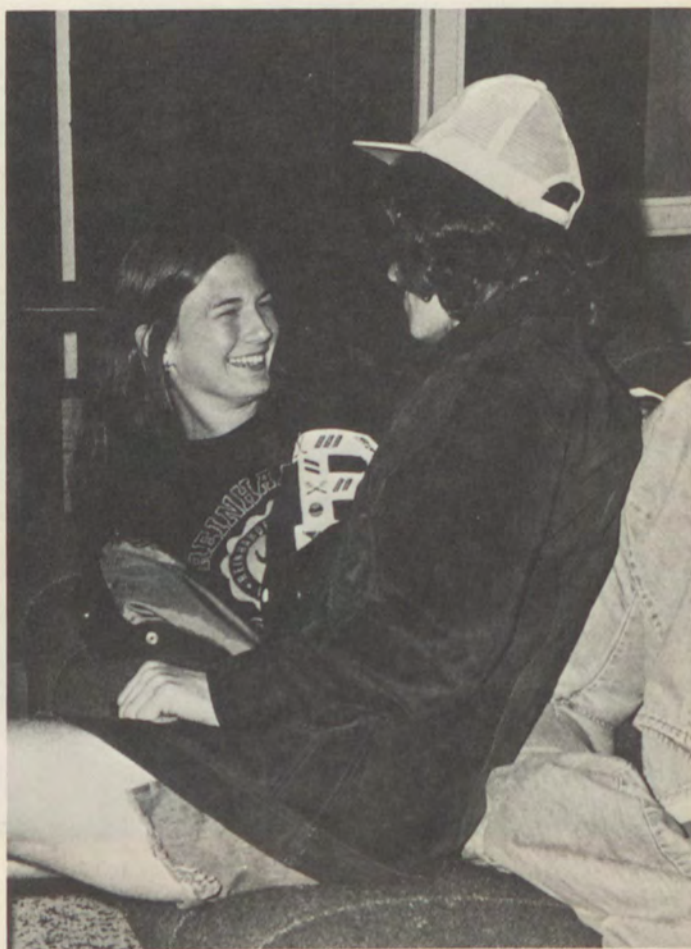

As we look back on the year we realize perhaps for the first time, how we, like the seasons, have just completed a cycle.

A cycle of growth. The discarding and reforming of old ideas and the acceptance of totally new concepts.

How each individual changed is not important.  
 What is important is that we all did it together.  
 Together we had new experiences.  
 Together we laughed, cried and shared life,  
 as together we shall share memories.

Memories of Reinhardt and how we grew—  
until we emerged still the same but somehow different,  
but all the better for the experience—The Reinhardt  
Experience—  
One we shall always remember.

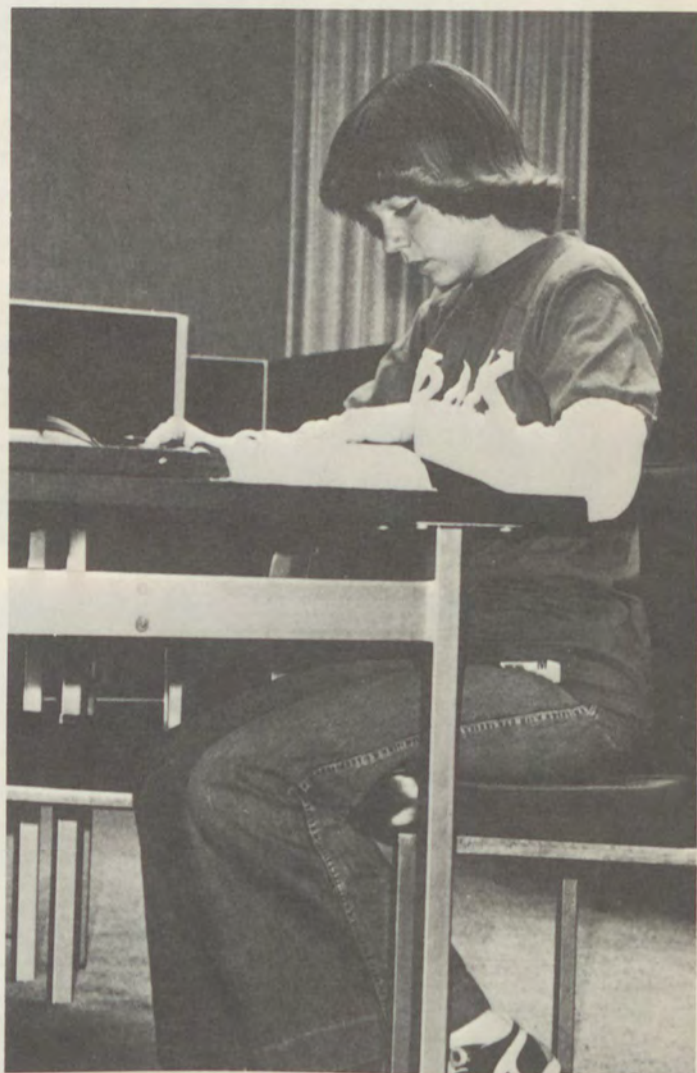

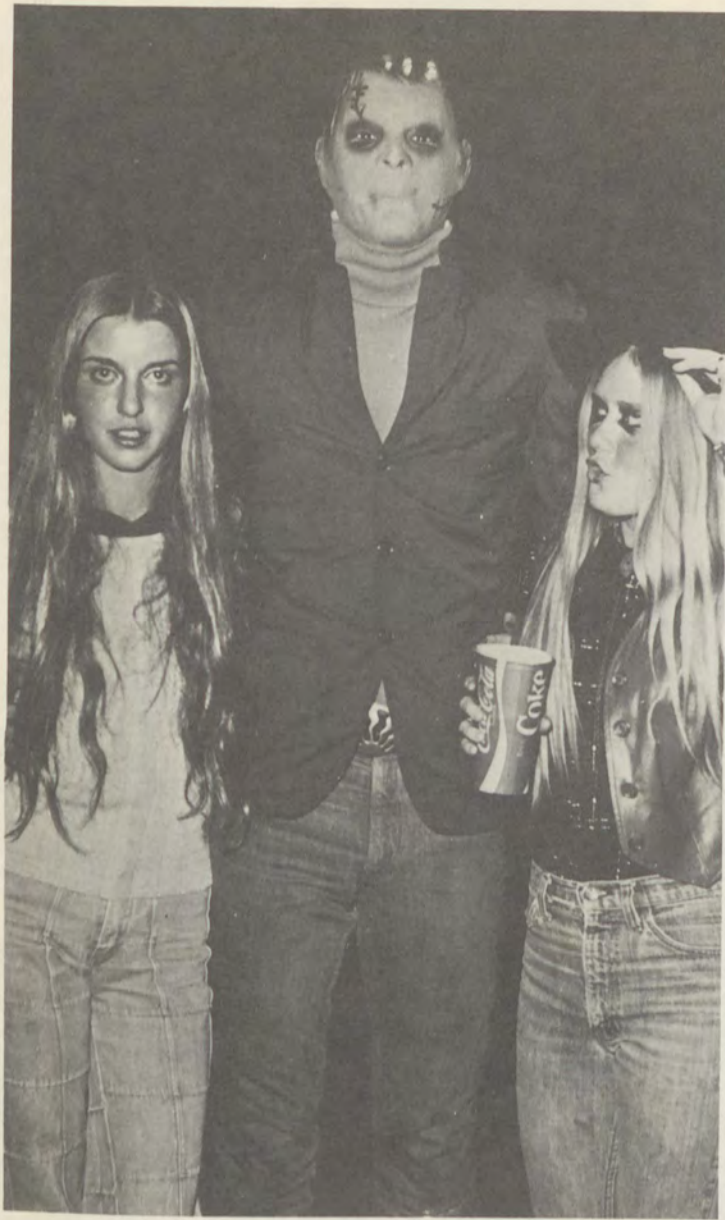

## Fall Quarter

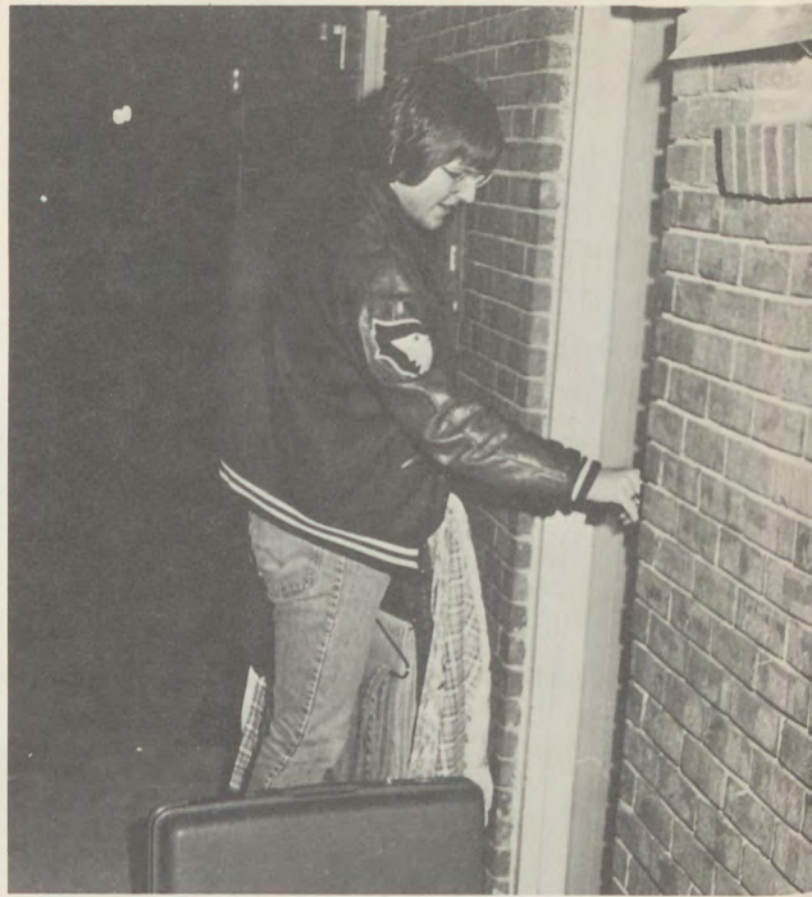

# Moving In

New faces, new friends, re-unions and tears. All my stuff in that ROOM? Chaos, eventually getting settled in. The beginning of yet another year at Reinhardt College.

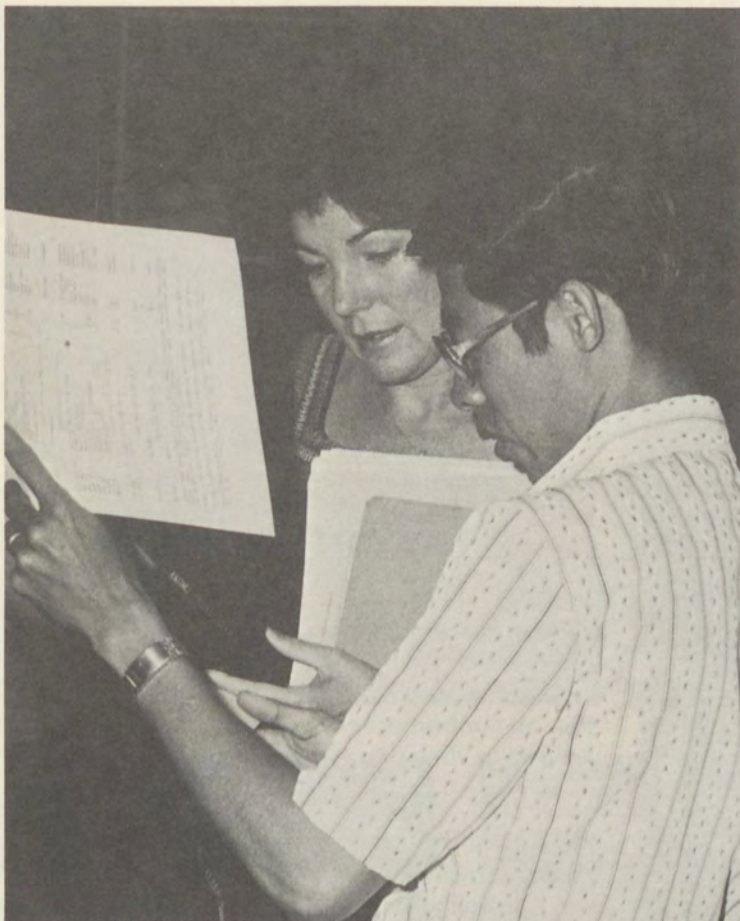

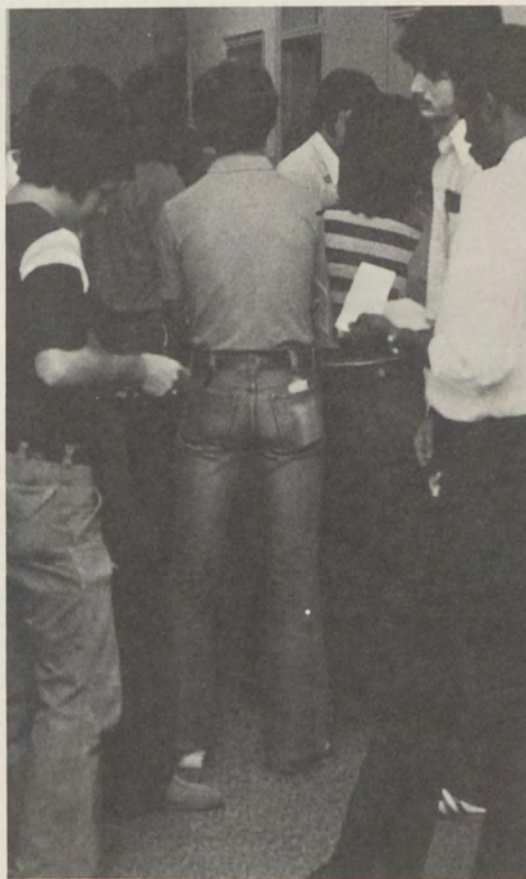

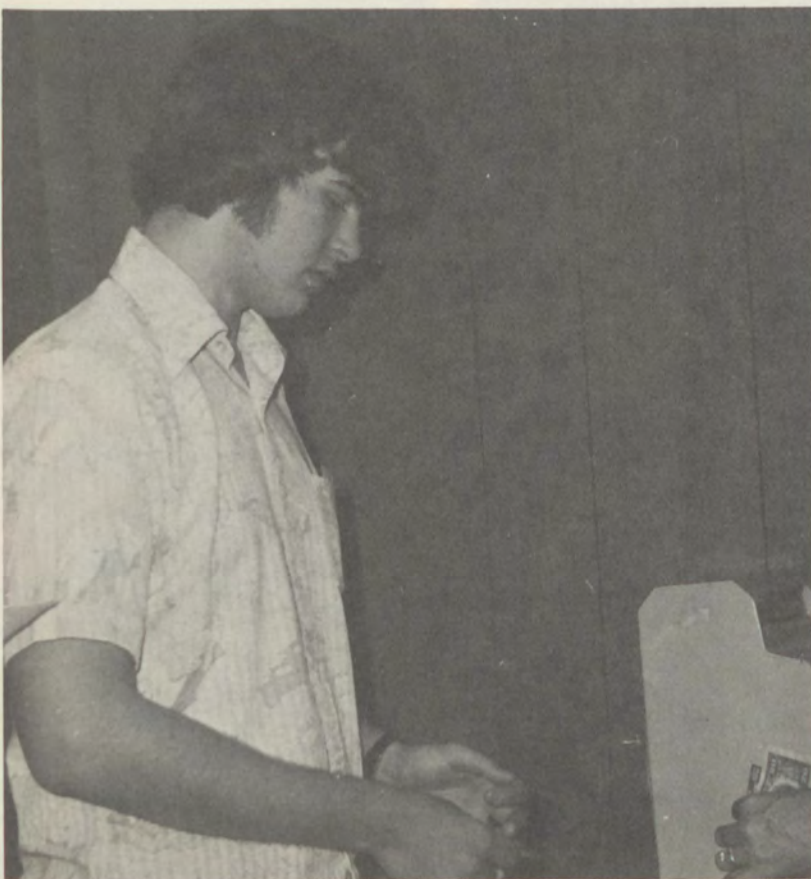

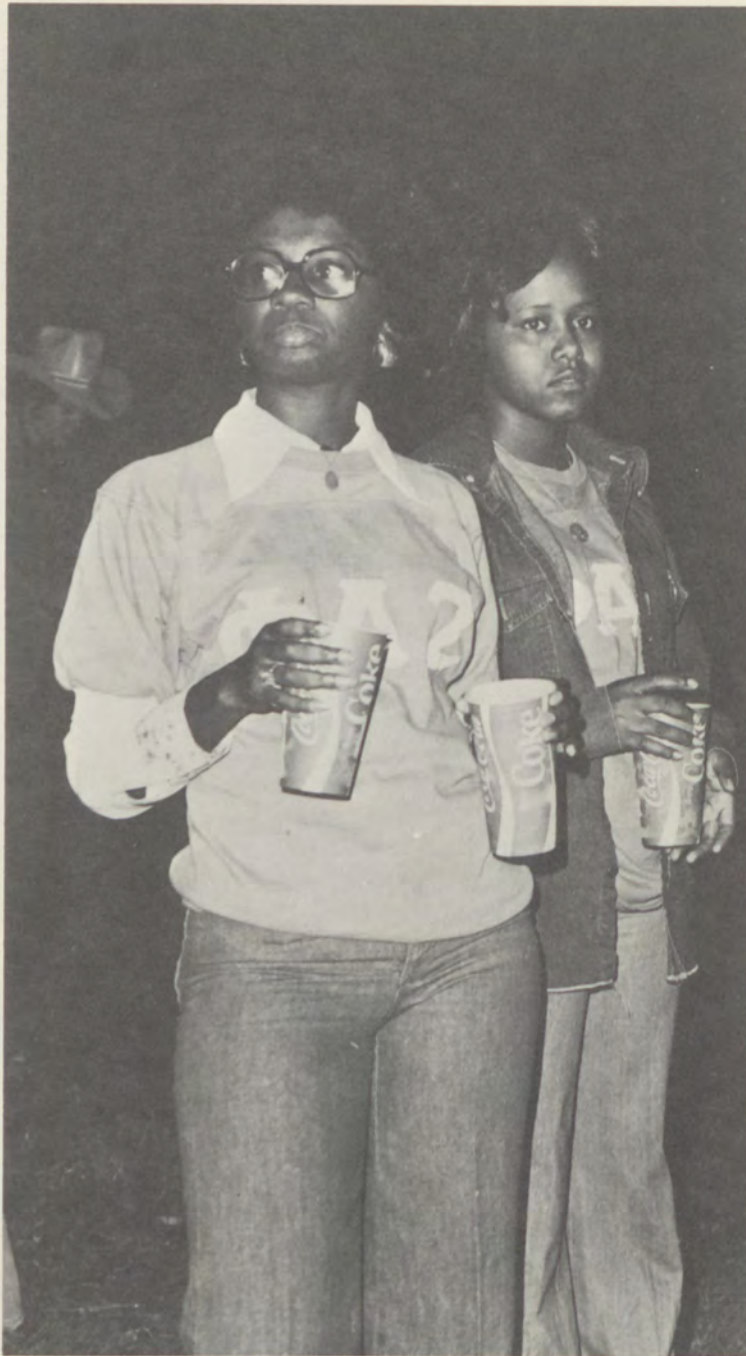

## Orientation

New faces, new friends, bridge groups, scheduling for classes, tests-tests-tests! Where do I go? What am I going to be? Questions-Questions-Questions! But finally the feeling of belonging—Orientation 1976.

## Rush Week

Parties, Parties and more Parties.  
Greeks, Greeks and more Greeks.  
Late nights deciding which club to  
join as Sophomores try to convince  
Freshmen their club is the best.

Pledge Dance arrives and the decision  
must be made—now only in retrospect  
can we really know whether we made the  
right decision.

# Pledges

Many strange things occurred on the Reinhardt campus during Hell week. Pledges dressed in a variety of styles, all according to their Big Brother or Sister's special whim on that particular day. Ducks made their appearance in the cafeteria, go-go girls did the hop in the grill, and Judy Macmillian looked for choir hopefuls as Pledges sang songs specially designed to impress all audiences. Reinhardt will never be the same is heard all over campus, referring no doubt, to the strange odor blanketing the whole school. Hell Week is definitely a week all will remember.

Sleeping Beauties?

I ain't even believing this.

How much is the Pole?

Jock?

This calls for a drink

Best side?

Aren't we cute

We won!

## Skit Night

Skit night is one of the enjoyable aspects of Hell Week. Each Sorority was represented by their pledges who presented skits varying from the Disappearing Quartet to the Impossible Dream. At the final judging the Psi Chi Omega sorority was announced the winner.

Shall we sing?

Mickey McLaughlin?

What Delta girls are made of.

Help?

Bad Company?

## Mishap 1977

Every little boy dreams of someday growing up and becoming a beauty queen. On Tuesday night, October 12, eight lovelies had their chance. Representing the four Reinhardt Fraternities, these beauties gathered together all of their poise and charm to parade before the judges. Competition was tough and the talent was UNBELIEVABLE. But finally the judging was completed. Hearts were broken and many tears were shed but Teddy Bo Heath came out a true winner—Mishap 1977.

I've seen better days.

I am woman.

Please, no applause.

Let me entertain you.

One last look.

Let me make you smile.

Shake your Boody!

## Soccer

Fall quarter soccer season introduced many freshman girls to the athletic world at Reinhardt. Close ballgames added excitement to the successful season. The final crucial games left Alpha as the champions, with Epsilons in a close second place, followed by Omegas in third and Deltas in fourth.

## Football

1976 Football at Reinhardt meant crutches, Crutches, and more crutches. While people weren't getting the competition was great with everything from runaway games to surprising up-sets. The close of the season put O.K. Pi in the number one spot, Lambda in second place, STP in third and Phi Nu in fourth.

# Winter Quarter

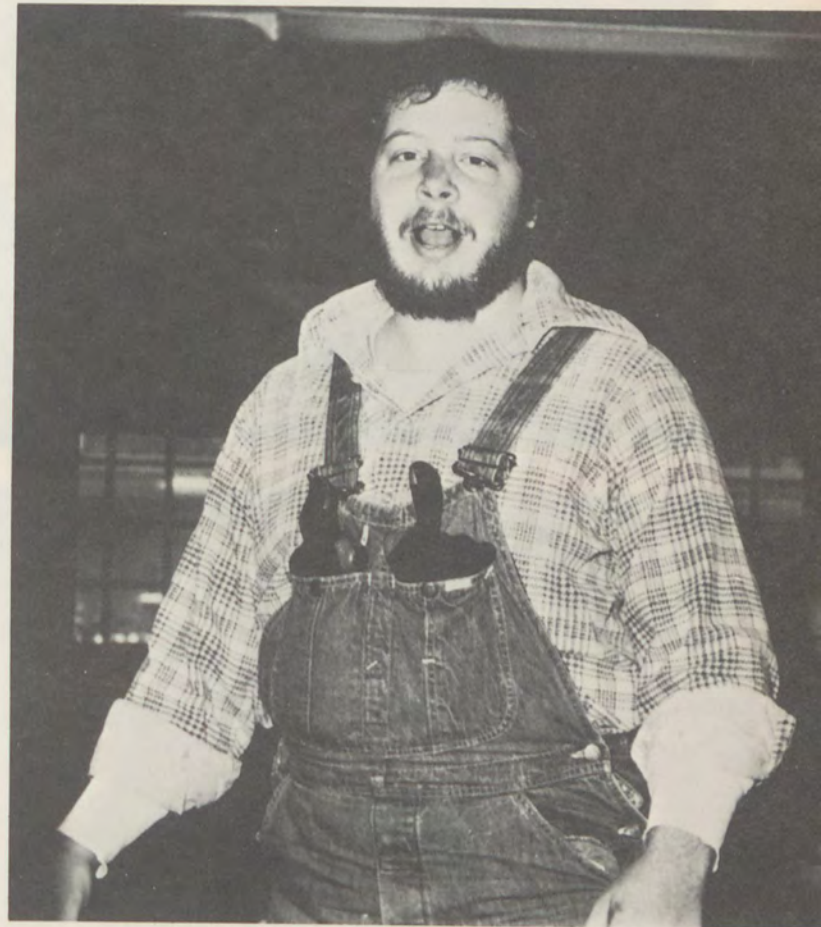

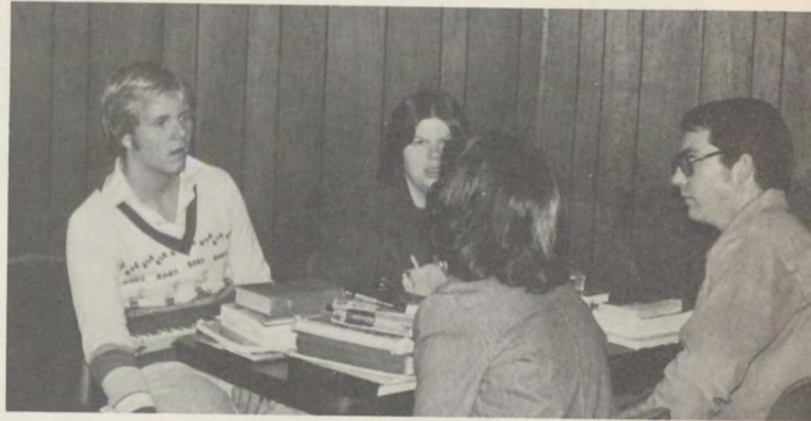

## Miss Reinhardt 1977 - Yvonne Pinyan

Saturday, February 26 was the big night for 19 girls as they competed in the area of swim-suit, evening gown, and talent. Swim-suit, evening gown, on-stage personality, and interview made-up half of each girls score. Talent, which counted 50% of the score, was varied and remarkably good. The Judges, after long deliberation, announced Linda Woodyard Talent Winner and 3rd Runner-up, Cheryl Holcomb 2nd Runner-up, Terri Mitchell 1st Runner-up and Yvonne Pinyan Miss Reinhardt 1977. Yvonne represented Reinhardt's Evening Program and will compete in the Miss Georgia Pageant in June.

## 50's Dance

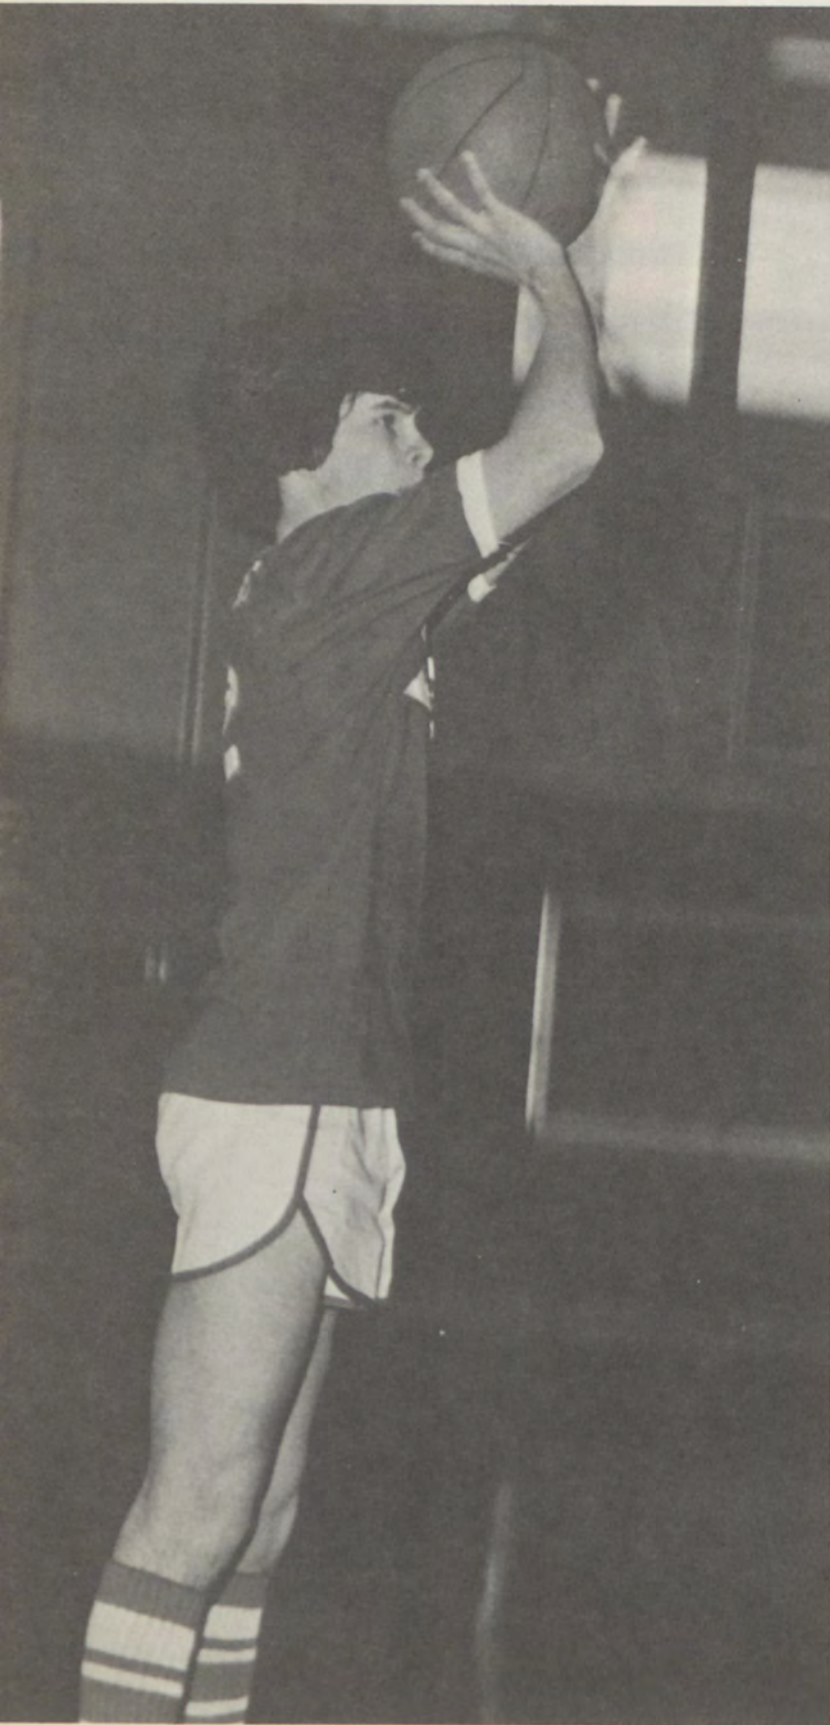

The 50's struck again on Reinhardt campus as teeny-boppers and greasers danced to "At the Hop" and Chubby Checkers. The Sigma Chi Epsilon Sorority sponsored the dance which provided much entertainment for those involved as well as those who were not. Prizes such as a "Fonz" posture and bubblegum were awarded to best dressed and dance winners.

# Basketball

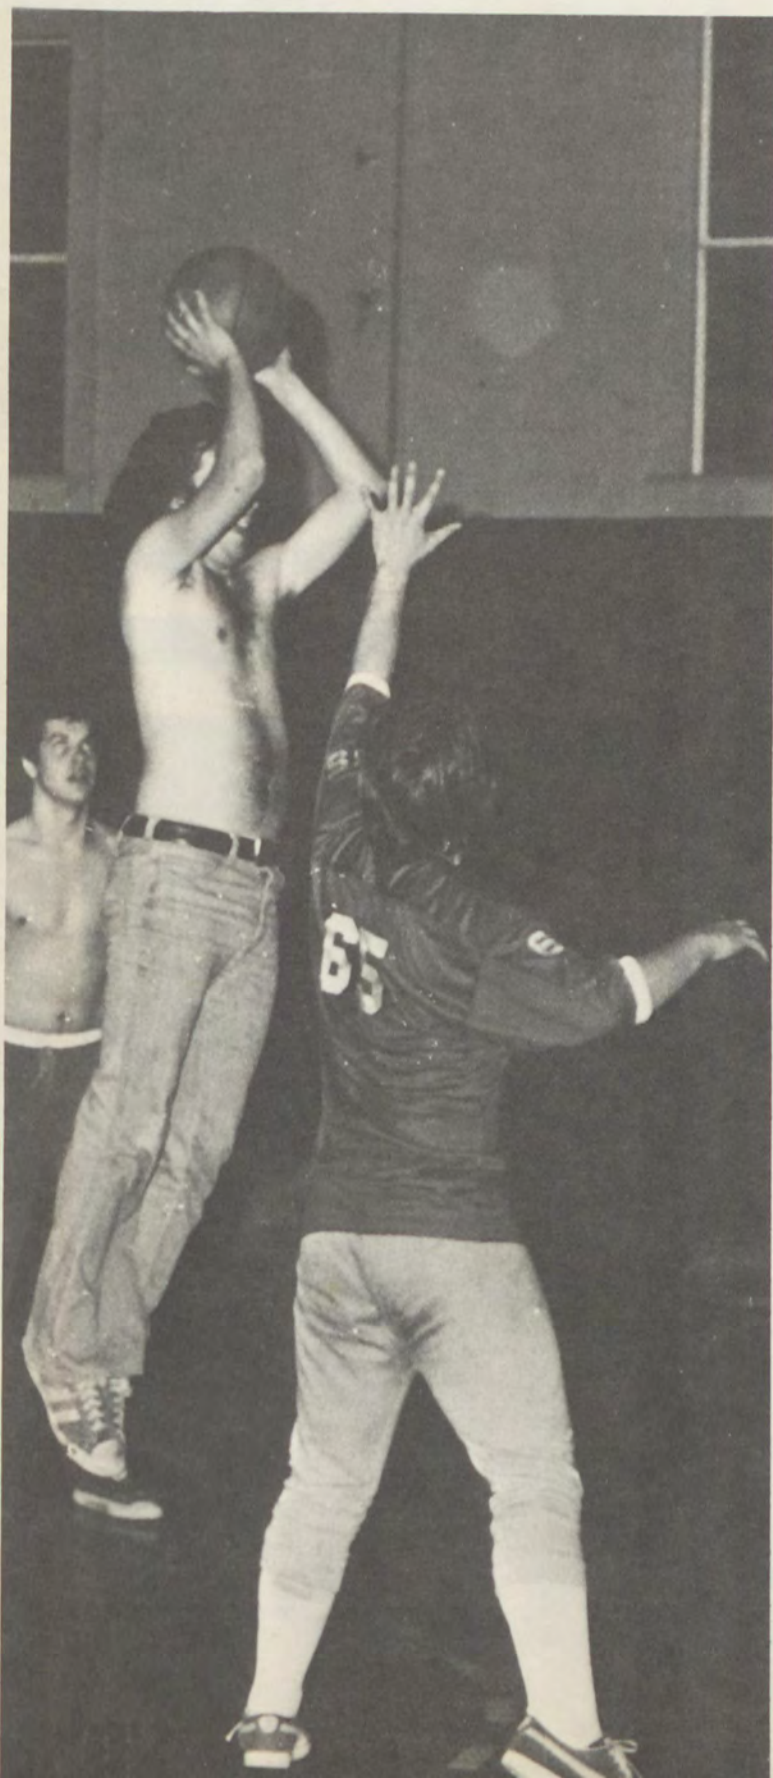

The sport that proved to be almost as rough as football was boys basketball. A lot of talented boys battled away through many tiring games. With a few close calls, Lambda went undefeated for first place followed by O.K. Pi in a close second. STP and Phi Nu tied for the 3rd place position.

During this week all Greeks are judged upon their intelligence, talent, creativity, lack of talent and athletic ability. Each Greek club competes in a college bowl, talent show, skit night, lack of talent show and a track and field day. At the end of each competition the clubs are ranked from first to last and given points accordingly. As a result of the highest point accumulation, the Sigma Phi Nu fraternity and the Psi Chi Omega sorority received the honor of winning the Greek Week Trophy.

## Moving Out

Spring Quarter comes to an end and it is once again time to pack up our belongings. For some it is but a temporary retreat, but for others it is a permanent move.

A move to new experiences - a move from old friends and security. And even though each person's concept of life and Reinhardt is very individual, all will leave with a part of Reinhardt ingrained in their very personality and many memories that years from now will still spring forth, recapturing the spirit of Reinhardt College, 1977.

## Summer Quarter

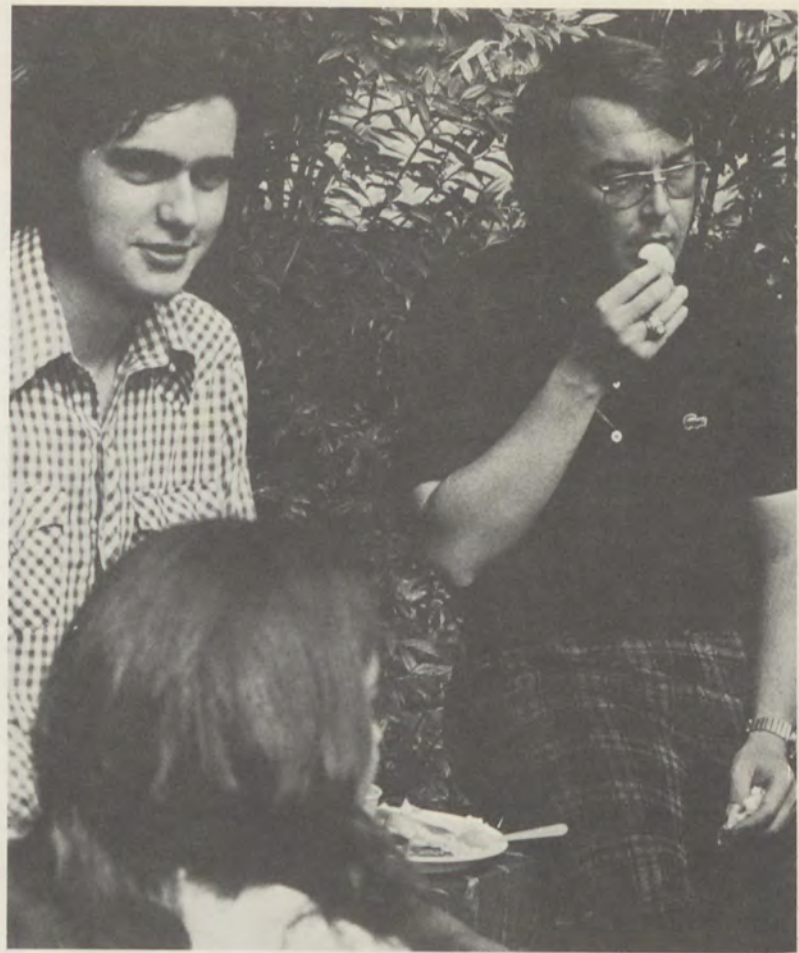

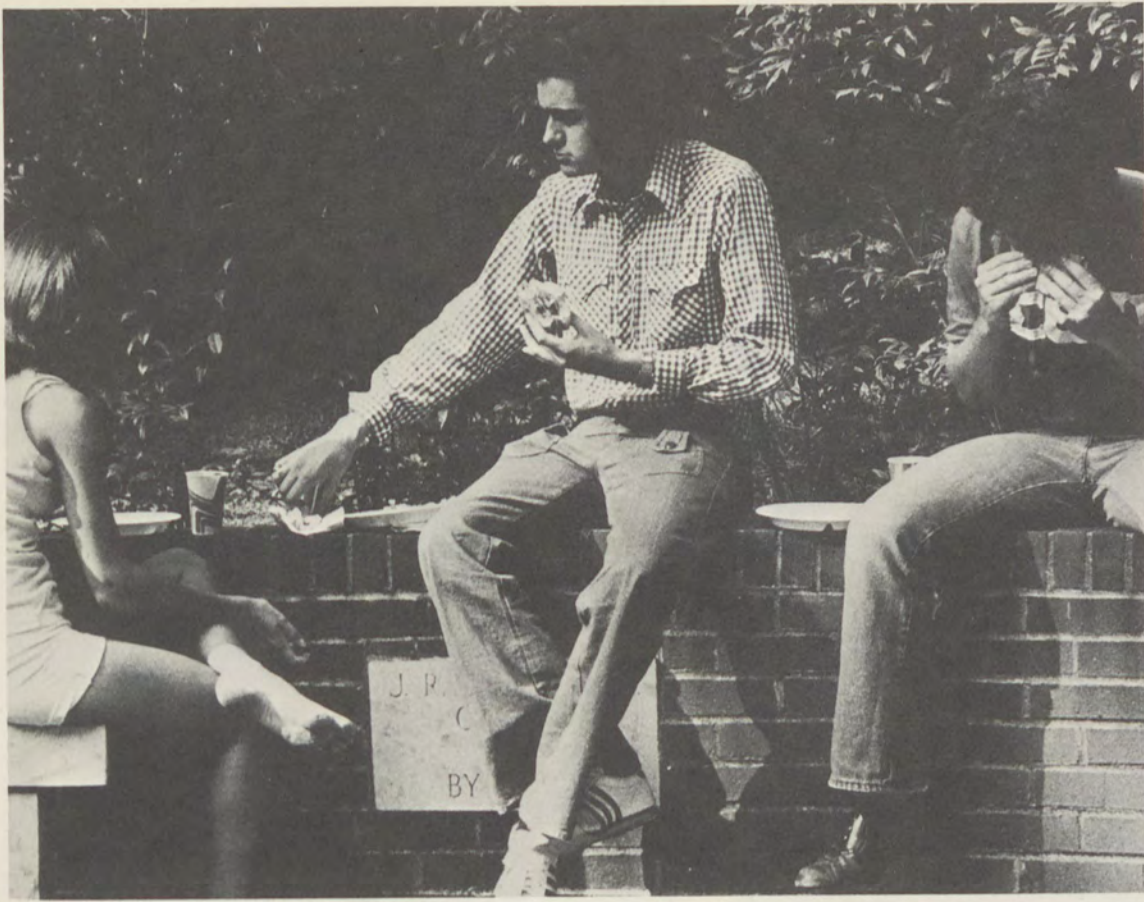

# Summer Quarter

The left over quarter. A quarter apart from all the rest, that few experience but for those who do it is a quarter that they will never forget. Cook-outs, sunburns, and underground Atlanta accent the warm days. Close relationships develop and the Reinhardt campus becomes less of a school and more of a family unit and household. Summer quarter: the most unique of them all.

To be eligible for membership in Phi Theta Kappa, after the first quarter at Reinhardt a student must carry 15 hours and have a 4.0 grade point average. After 2 quarters or more a student must carry a 3.5 average and be in the top 10% of his class. After becoming a member, a grade point average of 3.0 must be maintained.

## Dr. Allen O. Jernigan President

This yearbook is divided, for purposes of organization, into sections, representing both day and evening students. However, in a deeper sense your annual seeks to depict the unity that is the Reinhardt College community. This community includes a dedicated faculty and staff that continues to offer quality education in a Christian context.

I congratulate the Phoenix staff in symbolizing the progress we have made working together.

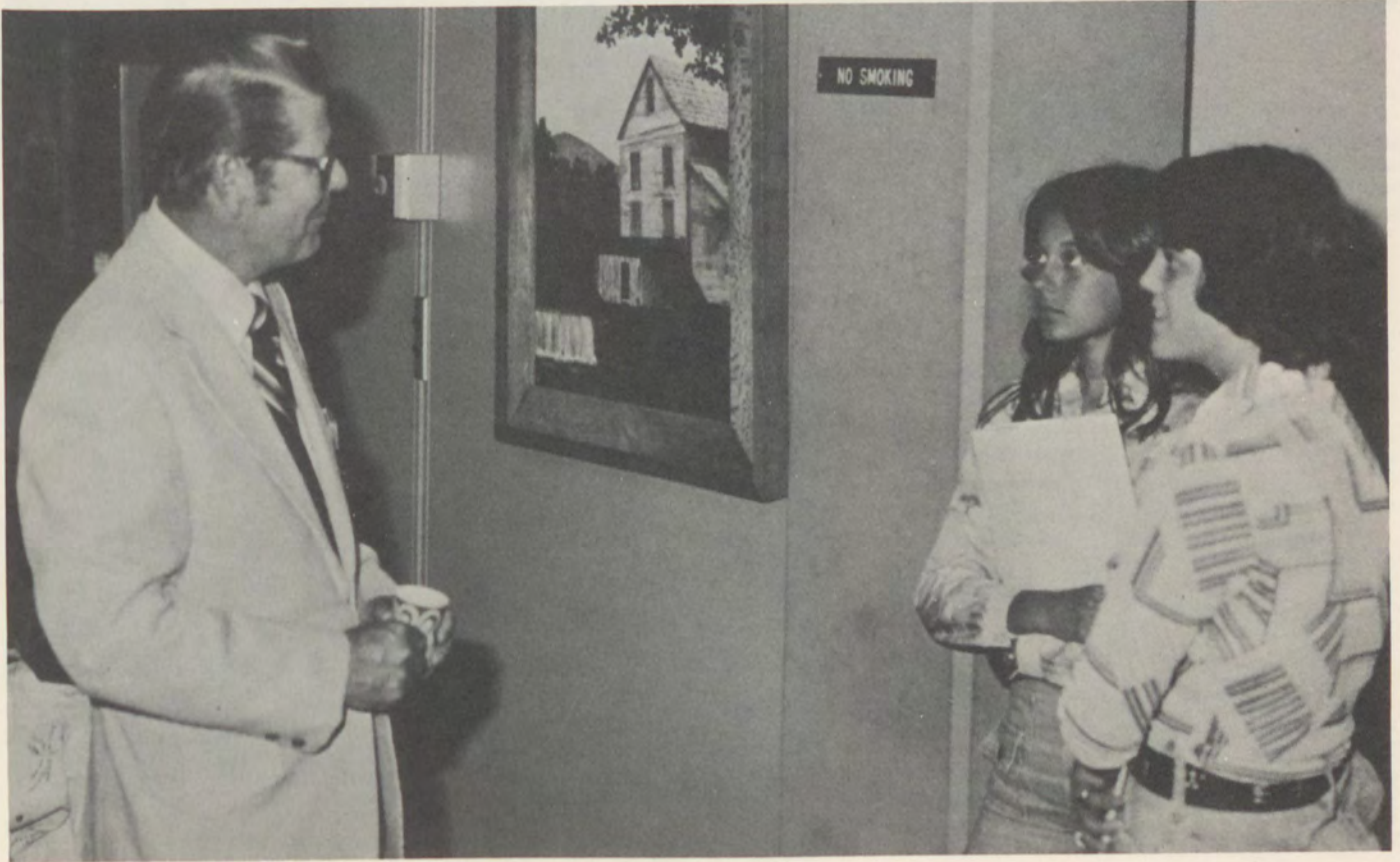

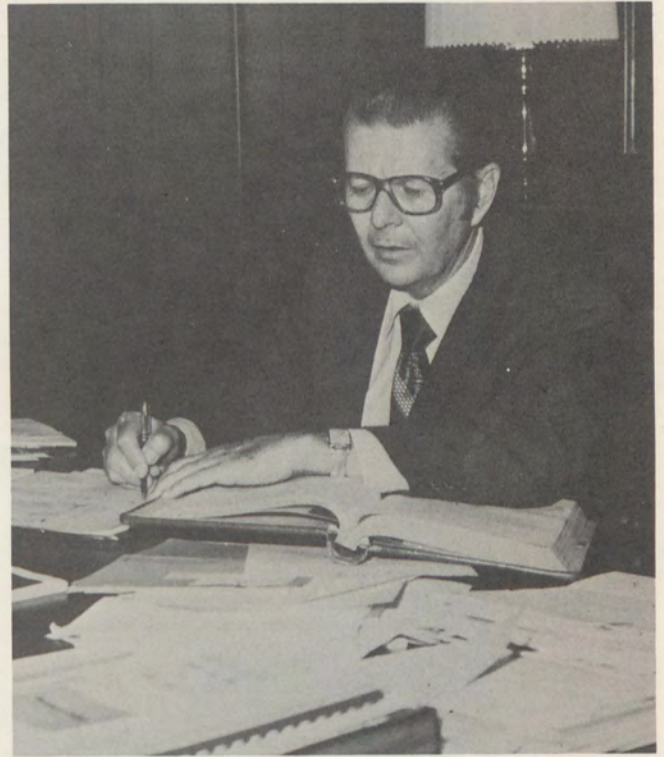

May Christ's joy be yours in the days ahead.

I don't know where this road is  
gonna lead to  
All I know is where we've been and  
what we've been through

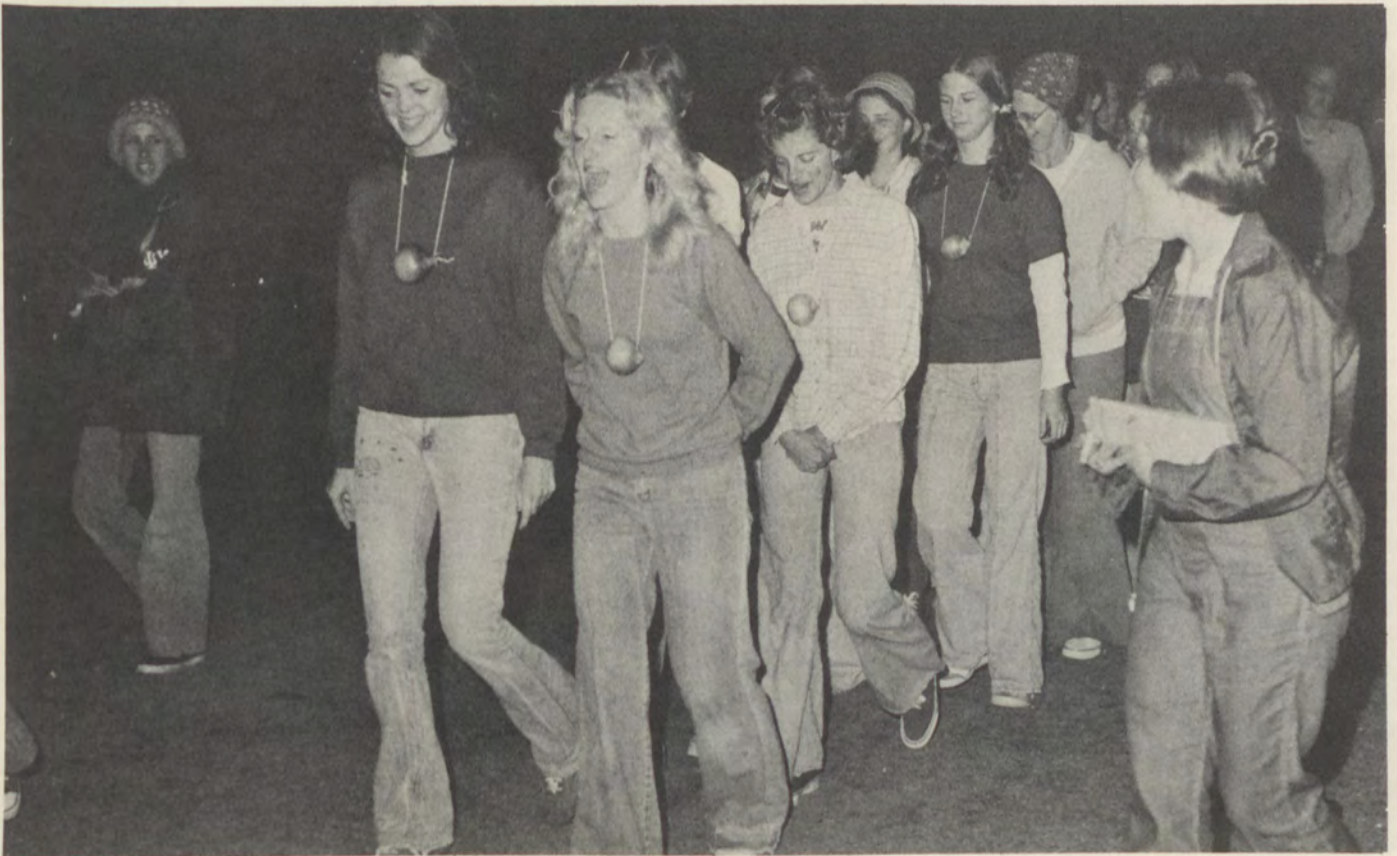

If it gets me to tomorrow  
I hope it's worth all the pain,  
It's so hard to say goodbye to  
yesterday.

And I'll take with me the memories  
To be my sunshine after the rain  
It's so hard to say goodbye to  
yesterday.

Memories can be beautiful but  
yet  
What's too painful to remember  
We simply choose to forget.

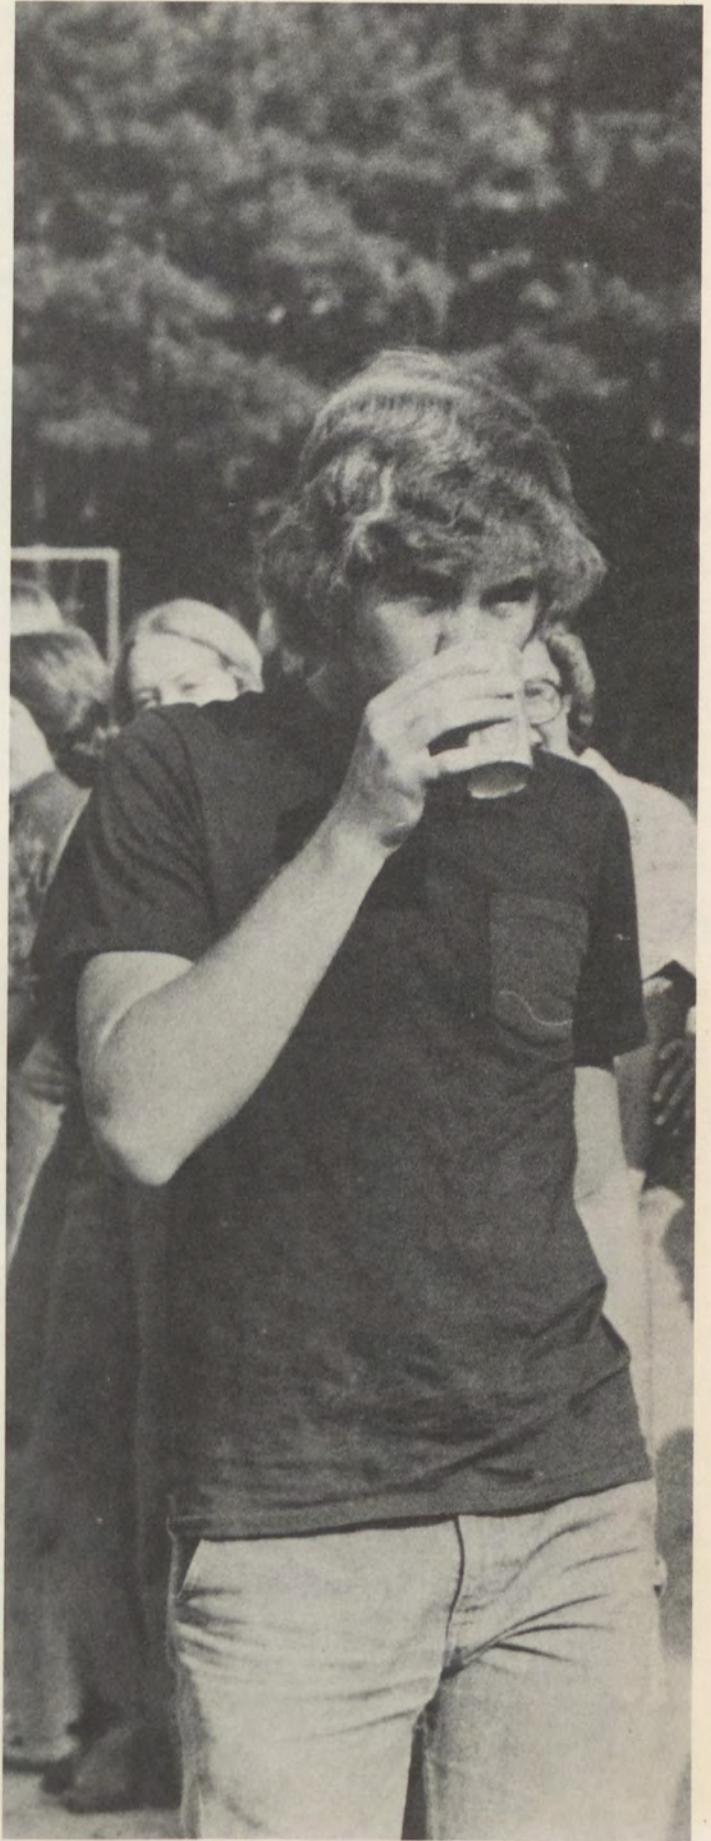

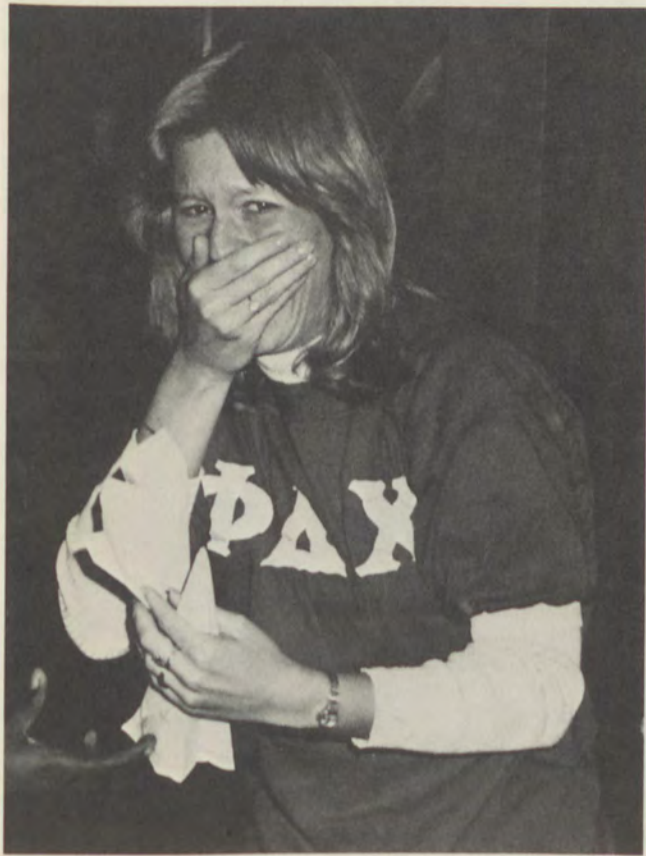

So it's the laughter we will  
remember  
If ever we remember. . .

The Way We Were. . .

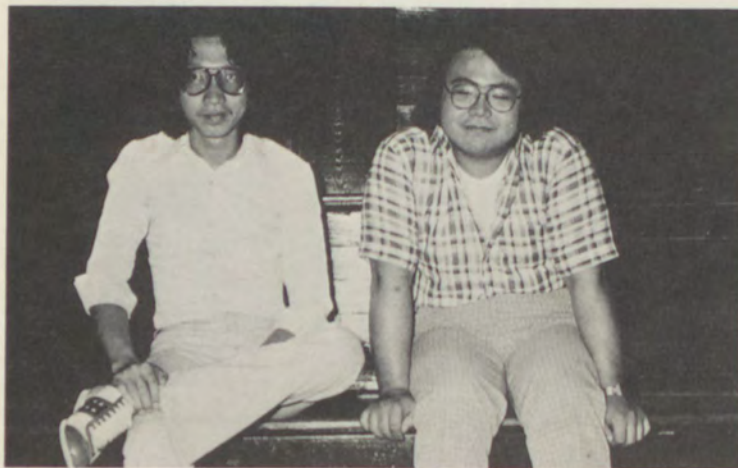

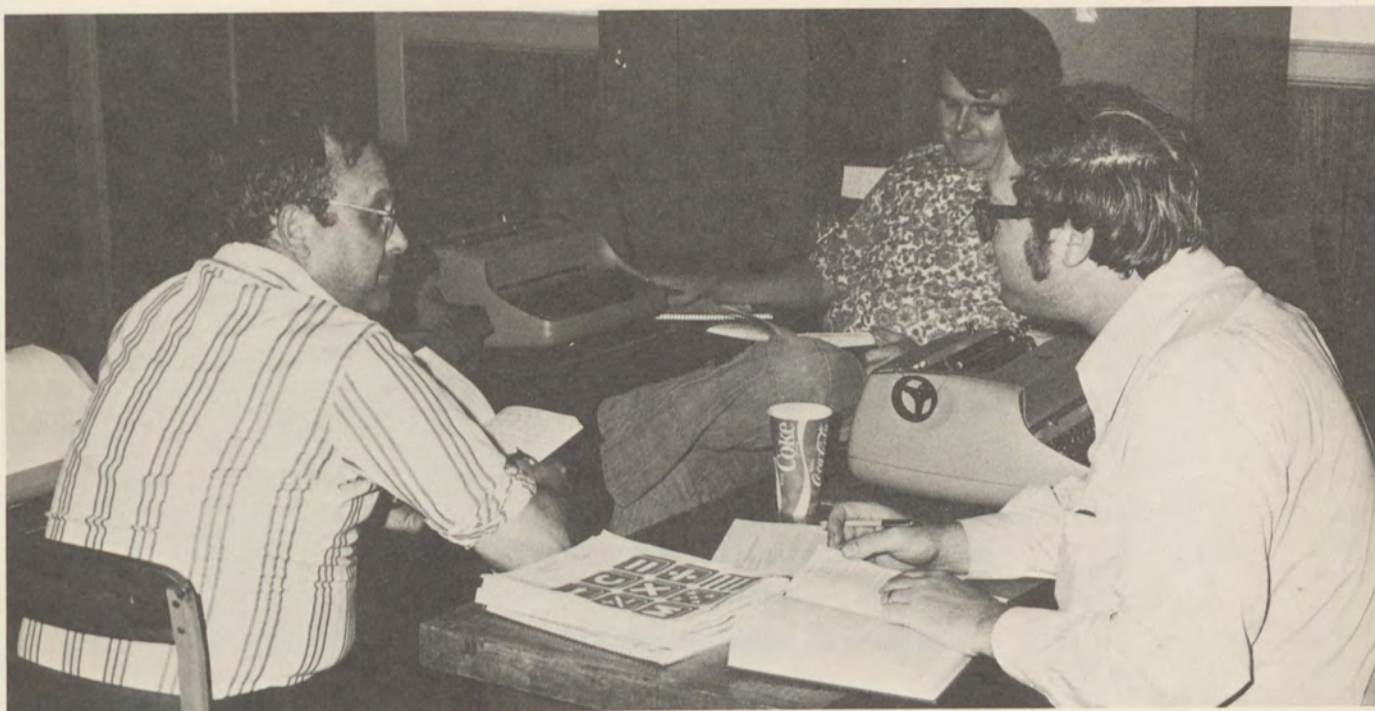

The Way We Were.

Deadlines, pacing the floor, why did we ever agree to this? A wrecked annual room, continuously hunting something - Memories of working on an annual. An annual that attempts to capture the essence of Reinhardt - the students. And as you read this annual don't be surprised to catch a knot in your throat, for you don't really appreciate the present as much as you do the past. For now Reinhardt College 1976-1977 is a memory - A memory the Cherokee Phoenix hopes to keep fresh and alive for each of you. So when in the future you think of Reinhardt, pull out the Cherokee Phoenix and not only think of it, but relive the Reinhardt Experience.

Wendy Russell  
and  
Susan Bruce

*All my best memories  
Come back clearly to me,  
Some can even make me cry  
Just like before,  
It's yesterday once more.*
