The Time Is Now!

Here At Reinhardt, We Are Bonded
Together By A Special Closeness.
This Unique Atmosphere Sets Us
Apart From Other Colleges.

All Of Us Have
Discovered That
There Is More To
Life Than Meets The
Eye.

Yet Each Of Us Has Been Given
Just One Human Life To
Discover Who We Are, Why
We Are Here, And Where We
Are Going.

Time Is Not
Measured By
The Years That
We Live . . .

But By The
Deeds That We
Do And The Joy
That We Give.

The Memorable Times
That We Are Capable Of
Grasping Today Enrich And
Help Us Fulfill Our
Tomorrow.

At Reinhardt, We Utilize These Precious Times.

We Know That The Sign Of The Times Is Working NOW!

Dedication

These are not easy days for those of us actively involved as students in higher education. The value of a liberal arts education is no longer a basic American assumption. Uncertainty about the future, the rate of societal change and the exploding challenges to our basic beliefs serve to increase our anxiety level on a daily basis. However, we have learned to depend on a person who has not grown weary from the strain of holding in balance the true and the useful during some of our most troubled days.

For reasons far too numerous to state, we consider it a privilege to dedicate the 1980 Cherokee Phoenix to Mrs.

Diane Davenport, a true friend and leader sent to us for such a time as this.

For Taking

A Time To Mess Up

A Time To Straighten Up

We would like the memory of us to
be a happy one.

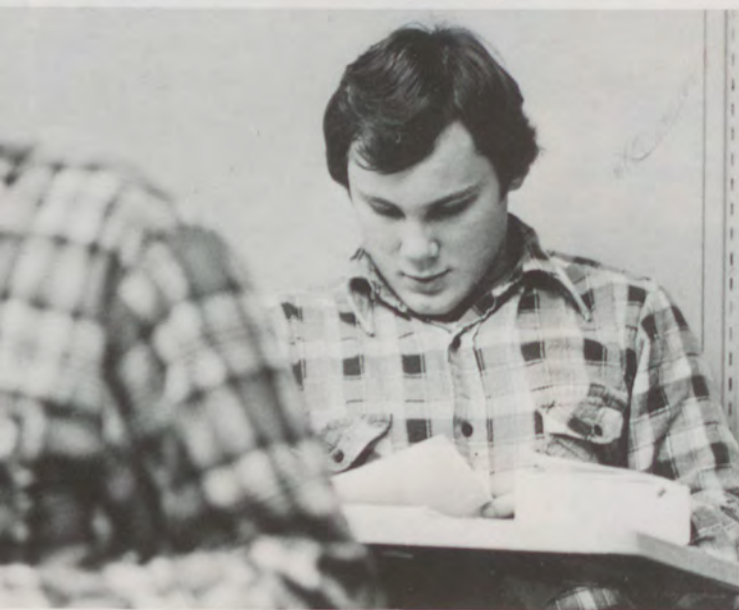

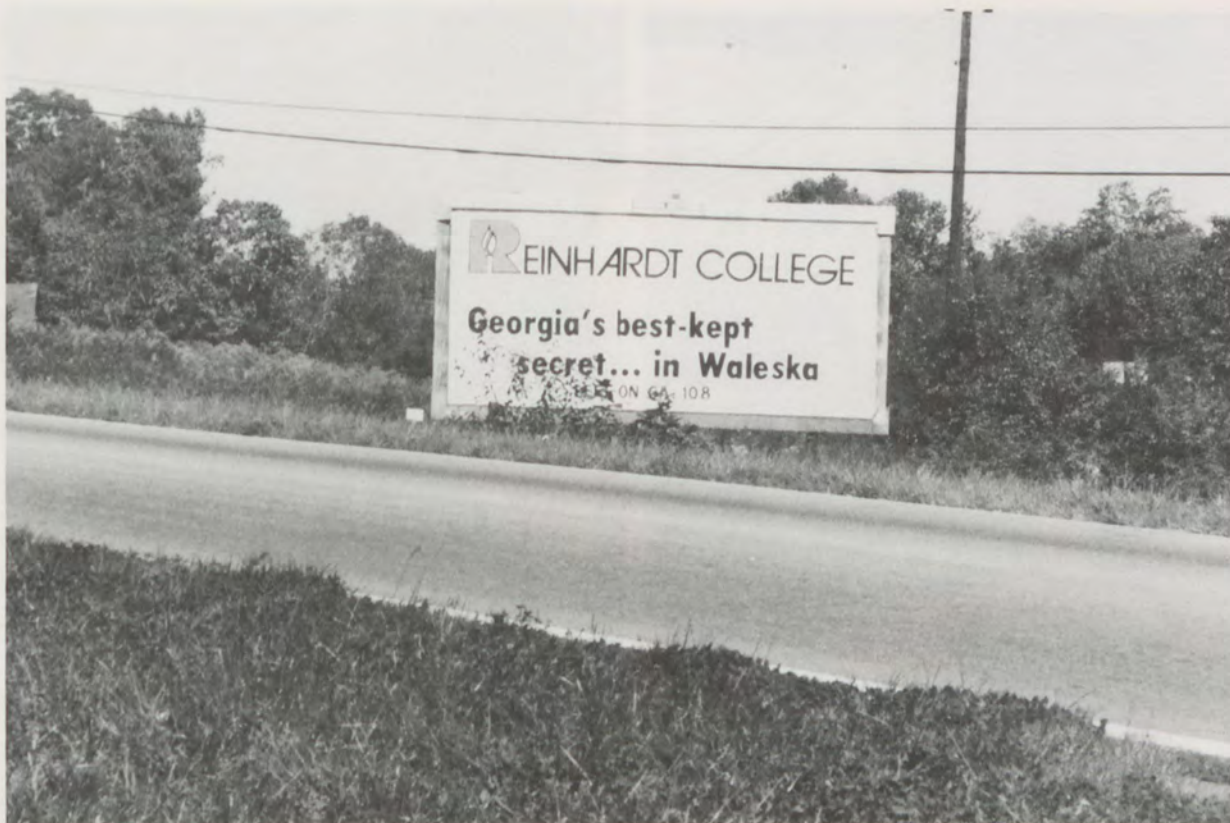

We would like to leave an afterglow of smiles when life is done.

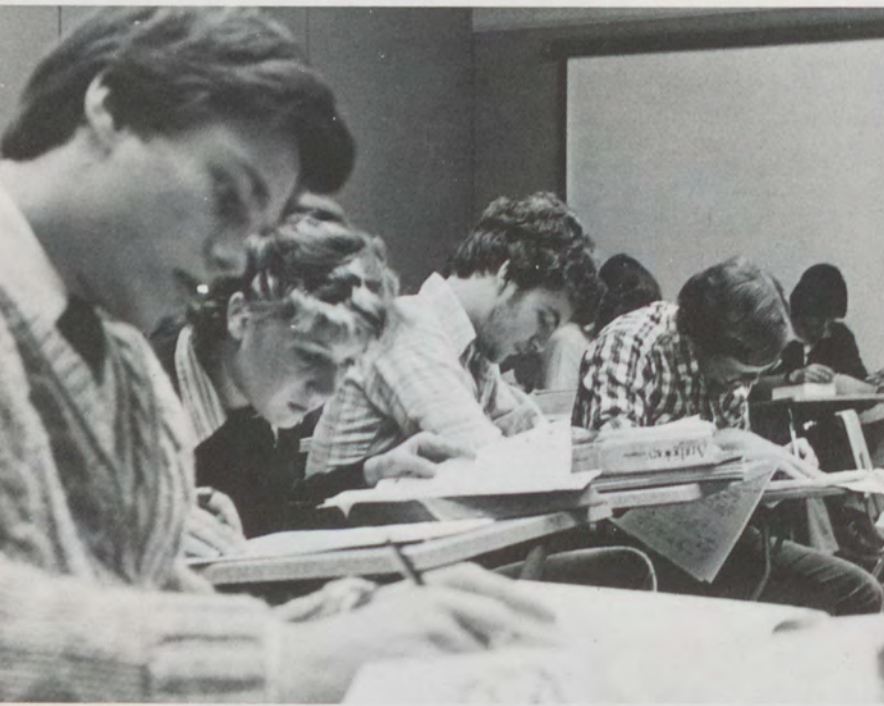

We would like to leave an echo whispering softly
down the ways,

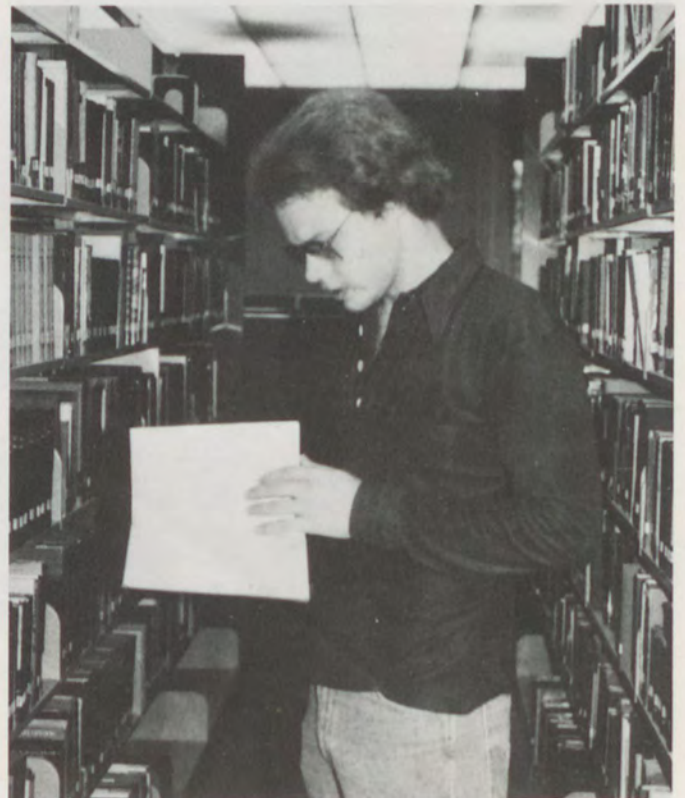

Of happy times and laughing times and bright and sunny days

We would like the tears of those who
grieve, to dry before the sun

Of happy memories that we leave when life at Reinhardt is done.

Designing pages, spelling names correctly, getting pictures, selling annuals, selling ads, and meeting deadlines were just a few of our challenges as we set forth to publish this annual. A challenge, yes, it was a challenge. But we had our good times too. Friendships grew as we came to know each other and, along with the hard work, came many lasting memories.

There were many people who helped make this book possible. We would like to thank our advisor, Carolyn Burkholder who has offered encouragement throughout the year. To Ross Henderson, our representative, we would like to say thanks for all you have done. Our special thanks goes to Mickey McLaughlin for providing pictures at just the right time. And last, thanks to our staff for always coming through with the deadlines.
