The friends you find at Reinhardt College are lifetime friends. They are the friends you can share your dreams with. They help you make it through the ups and downs and are always there for you.

We are given opportunities as friends, to pull together and stand as one. This friendship is one thing that is unique at R.J.C. Once we are gone, this bond will hold us together in our memories.

Hurry, take it! Take it!

I'm looking! I'm looking!

Jay and Cheryl greet the guests.

Construction is done to get the tower ready for He coming.

"Daybreak" performs for the Homecoming banquet.

Guy Sharpe is the speaker for the banquet.

The background is a complex geometric pattern. It features a grid of squares, some of which are shaded in a light gray tone. Overlaid on this grid are numerous perspective lines that create a three-dimensional effect, making the squares appear to float or recede into the distance. The lines are drawn in a dark gray or black color, contrasting with the lighter background.

CLUBS

The image features a complex, abstract geometric pattern composed of numerous squares and rectangles of varying sizes and shades of gray. These shapes are arranged to create a three-dimensional, isometric effect, resembling a grid of cubes or a complex architectural structure. The word "CLUBS" is written in a bold, black, sans-serif font, positioned centrally within the composition. From the base of the letters, several thin, white lines radiate downwards, intersecting with the geometric pattern below. The overall aesthetic is modern and graphic.

This year, the choir has done a great deal together. All of the members seem to be extra close. Some very special friendships have been made this year through the many practices, concerts, and tour. While on tour this year, the choir sang in Georgia, Louisiana, Texas, and Oklahoma. The members of the choir also picked up nicknames while on tour. The choir members are: Regina "REG;" James, Kaye "K-K" Walton, Haley "Spaz" Bledsoe, Elaine "friendliest" Hubek, Missy "Grin n'" Garrett, Raquel "I would have been there..." REINHARDT GRAFFITI

ALMA MATER

Far up in the mountains azure
Blest with ideals true,
With influence most inspiring,
Reinhardt, we love you.

In thy splendor stand forever,
Spread thy fame afar;
Give to all a helping hand,
Be our guiding star.

In our memory cherished ever,
We will loyal be;
May each year bring forth more honor
Is our hope for thee.

Chorus

We will praise thee, ever praise thee,
Be always sincere;
We'll uphold thy purpose high.
Alma Mater, dear.

FRIENDS

Packing up the dreams God planted
In the fertile soil of you.
Can't believe the hopes He's granted
Means a chapter in your life is through;
But we'll keep you close, as always.
It won't even seem you've gone,
Cause our hearts in big and small ways
Will keep the love that keeps us strong.

And friends are friends forever
If the Lord's the Lord of them.
And a friend will not say never
Cause the welcome will not end.
Though it's hard to let you go,
In the Father's hands we know
That a lifetime's not too long to live as friends.

With the faith and love God's given
Springing from the hope we know
We will pray the joy you'll live in
Is the strength that now you show.
But we'll keep you close, as always.
It won't even seem you've gone,
Cause our hearts in big and small ways
Will keep the love that keeps us strong.

And friends are friends forever
If the Lord's the Lord of them.
And a friend will not say never
Cause the welcome will not end.
Though it's hard to let you go,
In the Father's hands we know
That a lifetime's not too long to live as friends.

No a lifetime's not too long . . .
To live as friends

Michael W. Smith
