Red Ribbon Week

Red Ribbon Week was an incredible success this year at Reinhardt. Unlike in years past, the program encompassed more campus organizations than ever. The festivities began with a kick-off Rally with Kie Bowman of Canton First Baptist Church as guest speaker and special music by Chris Womack. The assembly was a complete success. The audience was moved by Dr. Bowman's touching realistic stories. The week then continued with a drunk driving picturedisplay, wrecked car display; movie on drugs abuse, and a door decorating contest. In addition, the campus was extensively decorated with red ribbons, banners, and posters. It was obvious everyone at Reinhardt College worked to make Red Ribbon Week a great success.

During Red Ribbon Week, the campus was beautifully decorated with red ribbons and banners that were generously donated by organizations on campus.

Leslie Rothenberg was the winner of the PTK door decorating contest.

This poster made by Kim Hankins illustrates what sisterhood means to the Epsilons.

Reinhardt

Homecoming was a great success at Reinhardt College this year. Everyone enjoyed the food and entertainment. The soccer team played an excellent game against Spartenberg. Although they were defeated, all the soccer players played well. The hot air balloon was beautiful. Because of the strong winds, no one was able to ride in the balloon. Alumni were given tours of the campus. The day ended with a concert by Daybreak.

THE BRAVES

Reinhardt College campus definitely had the tomahawk fever during the National League Championship and World series this past fall. Students watched all the games faithfully. Suites and lobbies were filled with fans sharing the excitement and frustration of the games. Many students went to class sleepy-eyed from staying up late to support the Braves. This year the college put special time and effort into making the tomahawk that was put up at the entrance of the college.

The fans are excited.

Presidential Election 1992

Reinhardt students were very interested in the 1992 Presidential Election. This election was a very significant one because George Bush, a republican, lost the office of President to Bill Clinton, a democrat. English students at Reinhardt were required to watch the election results on television in the Student Center. Dr. Falany used this as an opportunity to mingle with students and learn about their political points of view.

SPRING FORMAL '93

Spring Formal was held May 15 at the Colony Square Hotel in downtown Atlanta. It was on the top floor in the Crown Room which had a beautiful view of Atlanta. The student government did an excellent job of decorating for the dance. There was a wide variety of music played by the D.J. Dinner consisted of salad, chicken, fresh vegetables, and a delicious chocolate dessert. Everyone had a wonderful time. This year's formal was a definite success.

Yearbook Dedication

Dr. Bass

1993

This yearbook is dedicated in honor of Dr. Ronald Bass because of his involvement with students on an academic and a personal level. He puts forth tireless efforts both day and night toward advancing the institution and individual students involvement as shown through the progress made in our four year business program. Dr. Bass always displays fair and consistent treatment for everyone, even in the most difficult situations. He has the ability to keep in perspective both the educational and the developmental need of us all.
