Reinhardt College Welcomes Dr. Nevious

"Yearbooks are the heartbeat of a campus. I still enjoy reminiscing about events from my days in high school and college by periodically perusing my 'annuals.' It pleases me to look at the photographs from my first year at Reinhardt. I know the 2000 yearbook will always have a most special place on my bookshelf and in my heart."

Eagle Basketball

It was a great first season of four-year competition. To have finished with a record of 15-15 is truly remarkable when you consider all of the circumstances. We had one returning junior (Rosene) and he played very little due to injuries. Seven Freshmen and two sophomores rounded out the team. Our schedule was very

difficult. Six games against teams ranked in the top ten and one game against a Division 1 opponent. Our players gave a supreme effort day in and day out. We have a great group of kids who most importantly are positive role models for Reinhardt both on and off the floor.

LADY EAGLES

The 1999-2000 season was a season of change for us. This was our first year to compete as a four-year institution. Although all this change was exciting, it also brought about a lot of uncertainty for us, such as new opponents, teams with more experienced players and many other things. This uncertainty, along with the change took a toll on us this season. We did not finish as well as we had hoped, with a record of 8-18.

(l. to r.) Coach Gerald Sharpe, Jason Hughes, Steven McPherson , Ken Dixon, Don Chestnutt, Holcomb Burke

It has been a very exciting first year of competition for the Golf team on the four year level. We certainly made strides in improving our program. We believe that the future is bright as we continue to move forward with all of our athletic programs.

-Coach Sharpe

Heather Adams and Julie Cook look so innocent!!!!!!!!!!!!!!

The Lady Eagles posted an impressive 10-7 season record and qualified for the Region Tournament. This group of ladies worked extremely hard on the court and in the classroom. They were a joy to coach and were constantly trying to get better. Each player showed tremendous improvements over the course of the season, and Coach Walker expects them to do bigger and better things for the team next year.

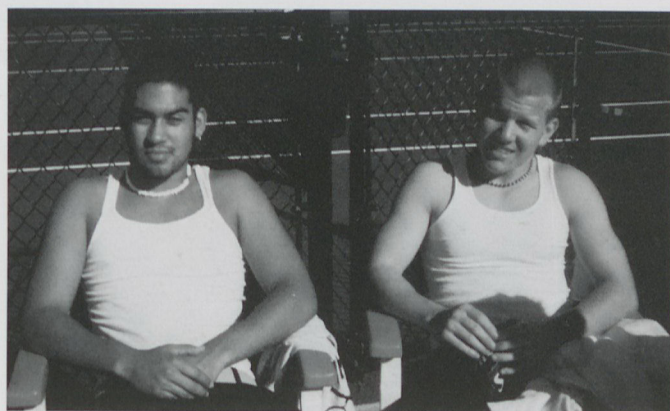

1999-2000 WOMEN'S TENNIS

(front l. to r.) Katie Moore, Julie Cook, Robyn Maddox, Christa Richards (back) Heather Adams, Rachel Mueller, Sofie Jacobsen, Jennifer Green, Coach Andrea Walker.

TENNIS

The Reinhardt Eagles finished their inaugural season with numerous impressive accomplishments. Competing in one of the toughest regions in the NAIA helped all of our student athletes become better tennis players. There was no time to jump in and test the waters; it was a true test every time we stepped onto the court. Both teams represented Reinhardt College well, and we received many compliments on our work ethic and sportsmanship from teams and coaches who have had tennis programs for many years.

The Eagle's season record of 4-13 does not give justice to the talent and dedication of the Men's team. After suffering some early set-backs, this group of men rallied together to finish the season strong. The range of talent on this team varies tremendously, and it was never uncommon to see some of the more experienced players helping someone with their serve or slice. These men represented Reinhardt well, and are looking forward to practicing hard and using the off-season to improve their individual games.
