Message from Dr. Isherwood

Reinhardt College is an exciting, growing college. We have plans that by 2008, we will have 1,500 students in 40 degree programs taking courses in Waleska, Alpharetta, and other sites throughout North Georgia. We will be a premier service institution as our expanded faculty continue to challenge our students to think, experience, and do more than they ever thought possible. At the same time, we will be extraordinary in the care and support we give our students to meet those challenges. Our campus will be a beautiful garden appropriate for reflection, study, and enjoyment as the new Student Center will be a new living room for all of our students.

But, in all this change, many important things will remain the same at Reinhardt. We will always protect and nurture our loving relationships and continue to serve God as a faithful United Methodist College. The future is bright at Reinhardt College because it is built on the solid foundation that is our past.

REINHARDT

HEAD COACH: KEVIN KELLY

Both the men and women's Cross Country Teams had a very successful year. The men's team won the Conference Championship and finished 2nd in the Region XIII Championships, their highest finish ever. Jordan Turner and Chris Moulder became the first Reinhardt runners to ever qualify to run at the National Championships.

Freshman Jordan Turner had an immediate impact on the program by running in the top spot all season and establishing a new school record for the 8K distance (27:46). Sophomore Chris Moulder became only the third Reinhardt runner to run under 29 minutes (28:33), while Dan Carver (29:23), and Keith Ray (29:35) joined the elite sub-30 club. Caleb Land's consistency was a key factor in the overall success of the team. Senior Luke Seder ended a spectacular record-setting career at Reinhardt,

establishing the times that future runners will be chasing. Joe Phillips was also a strong factor in driving the team to success. With only one graduating senior, and some good prospects coming in, the men should be even better next season.

The women's team had their best ever Conference showing with a second place finish. They also achieved a rank of fifth in the Region. Alison Derringer and Katherine Barnes traded 1-2 positions all season until Stacy Wolfenbarger showed her talents and moved into the second spot at the regional race. Lisa Lowman and Alie Pitts were consistent throughout the season and ran their best at the season ending big races which boosted the team in the final standings. With a healthy return of Jenn Byrd, continued improvement of current runners and an already strong incoming class, the women should be strong contenders for Conference and Regional honors next season.

Coach Kelly

Coach Kelly:

Cross Country at Reinhardt is definitely on the rise. In five years we have gone from a group of walk-on athletes, to Conference Champions and Regional contenders along with our 1st ever qualifiers for Nationals. As the program has improved we have brought in more qualified athletes who will continue to lift the status and competitiveness of both teams

The Reinhardt Eagles finished off their 2004 season (22-14) by claiming the GACC Conference title at Brewton Parker College in Mount Vernon GA this March. This earned the team a second consecutive appearance at the NAIA National Tournament in Kansas City, MO. Head coach, Joe Kennamer was named GACC men's basketball *Coach of the Year*. Junior, Chris Jones and senior Reggie Taylor were named to the All Conference Team. All Academic Team members from Reinhardt were junior, Emeka Ngonadi and senior Brent Mashburn. Head coach Joe Kennamer, says, "I am happy to be at Reinhardt and hope to be just as good or better next year. The success in the last two years has really opened doors for recruiting."

The 2004 Lady Eagles finished with a 20-14 overall record (8-8 conference), and landed fifth in the conference standings. This marks the most wins in one season by the women's basketball team since entering into four year intercollegiate athletics in 1998. Head coach, TJ Rosene was

named the GACC womens basketball *Coach of the Year*. Joining, coach Rosene with honors were several of his players. Junior, Amanda Clonts was named to the All Conference and All

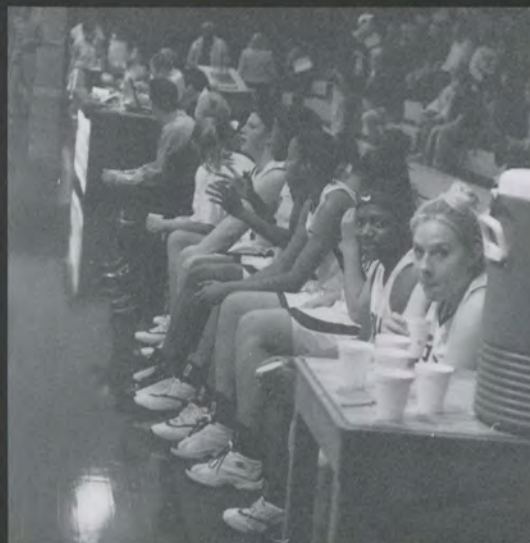

Academic team. Clonts also took MVP for the Lady Eagles, and recieved the Golden Eagle Award. Freshman, Jennifer Kemper and Josephine Reed were selected from Reinhardt for the All Freshman Team. All Academic Team members included; Heather Anderson, Jessie Frye, Jennifer Harris, Danielle Kiniry, and

Carrie Simmons. Coach Rose states; "I am very proud of the girls. It has been an exciting turn around to go from 6 to 20 wins. This is the 1st step to building a winning tradition for the Lady Eagles

HEAD COACH : Dan Farnham

Mens Soccer Team- 2003 Season

Overall, we had a good season. we finished with a 9W-8L-2T record, playing our toughest schedule of competition to date. We finished in second place of the GACC conference with a 4W-2L record and were runners-up in the Conference Tournament Final for the second time in three years. We spent eight of ten weeks ranked in the top five of Region XIII, one of the toughest in the country. Our greatest accomplishment was a 4-3 overtime win against eighth ranked Thomas University. This victory propelled us into the top 25 at number 16 in the nation for a week. This was a first for the program. Another first, due to our regular season success, was our hosting of the Regional play-in round on the eighth of November. Unfortunately, we lost in penalty kicks to Thomas University.

We lose six seniors this year that have all been here for four years. They all have had a tremendous impact on this team and school, and will be sorely missed. Captain, Pete Thornton, was an All-Academic and first team All Conference Selection in his senior year. Captain, Humberto Salcedo, was a three time All-Conference Selection. Daniel Arenas was a two time, first team All-Conference forward. Nnamdi Chiekwu, Victor Tillery, and David Arenas have all been stand-out starters for us the past three years.

The future is bright for our program. We are determined, and destined to become a program that is consistently ranked in the NAIA Top 25. As well, we are committed to reaching the Regional Tournament first, then taking steps towards reaching the twenty team National Finals.

"We had a very young team this year that improved a great deal throughout the season" (Andy Kaplan: womens head coach). The new young talent coupled with the experinece and wisdom of the returners propelled the team to a magnificent final third of the season. Because of their hardwork and determination they progressed to the conference semifinals were they narrowly lost (1- 0) to the eventual champions Auburn. Their performance against Auburn was one of great inspiration and hardwork. If this attitidue and work rate shown by our **LADY EAGLES** this year continues we can surely expect great things from them in the future.

Reinhardt Volleyball Wrap Up

The first Lady Eagles Volleyball Team flew into action August 2003 and kept soaring all season. As a first year team, the girls endured many ups and downs, which included facing experienced and well-established teams; however, the team never lost their fighting Eagle spirit. The Lady Eagles finished out the year with a 2-23 record, but hopes that this year's experiences and challenges will change that record to 23-2 next season. Head Coach, Amy Saxon, is anticipating next season as they continue to improve and perfect their volleyball skills. The returning Lady Eagles, with one year of college play under their belt, combined with the fresh talent and skills of next year's potential recruits should create a powerhouse team that will dominate the volleyball court!

REINHARDT TENNIS

The lady eagles are hard at work to get ready for their next match.

The Reinhardt Women's Tennis team completed its season on April 17th, 2004. The team finished the season with a record of 2-12. The two wins were over Oxford College and Emmanuel College. With only six players on the team this year, each girl had to step up and play every match. Several players did well individually this year including Tonya Turner, our MVP, Tecia Pitts, Beverly Stein, and Katherine Anderson. First year coach, Julie Flemming states; "I am very proud of the improvement my girls made over the course of the season. They remained tough and played their best even against our strongest opponents."

REINHARDT TENNIS

The 2004 Men's Tennis season ended in the semifinals of the conference tournament hosted by Shorter College in Rome GA. Reinhardt's men's tennis team was lead by two outstanding seniors, Hans Erik Edsand, and Michael Bridgewater. For the past four years this pair has been a one-two combo for the Eagles and has had a great season. Unfortunately they were both ousted from the conference tournament by rival AUM. Head coach TJ Rosene says; "We were led by great senior leadership, and we are thankful for their dedication to the program for four years. With four graduating seniors the team will move into a rebuilding phase

Reinhardt's golf team competed in five tournaments this spring and had the best season in the school's history. Seniors Brent Riley, Steve Muncher, Bryan Poole and Josh Franklin carried the golf team all year. Reinhardt finished second in the regional tournament, beating out two teams ranked in the top 25 of the nation. The Eagles lost the regional tournament by two shots over three days to the University of Mobile, ranked 18th in the nation. Head golf coach, Ken Dixon is hopeful Reinhardt will earn an at large bid to the national tournament. "I will really miss Brent Riley, Steve Muncher, Bryan Poole, and Josh Franklin. They were all part of a record breaking season. Freshman Bart Johnson played really well all year and will be an up and coming leader for the program "

Beth Frazier
 "SOAR was very interesting. I learned a lot about Reinhardt, I also made lots of friends during SOAR."

SOAR 2003

A NEW BEGINNING

SOAR is a mandatory, three-day experience for all first year students. Whether you are a commuter, resident, transfer, or non-traditional, you are required to participate in this three-day program in order to acclimate yourself to our campus.

SOAR is your introduction to college, academically and socially. The program will help you gain an understanding of what lies ahead and provide you with the opportunity to discuss your future at Reinhardt with faculty, staff, and student SOAR leaders.

Although the atmosphere during SOAR is very exciting and fast-paced, SOAR will allow you to make friends easily and connect with other students who will be sharing experiences similar to yours.

There are a number of advantages to attending SOAR. You will meet your faculty advisor. You have the chance to get your id and parking permit. You get to explore student activities, service, and campus issues. You experience residence hall living. Along with meeting your classmates and making new friends.

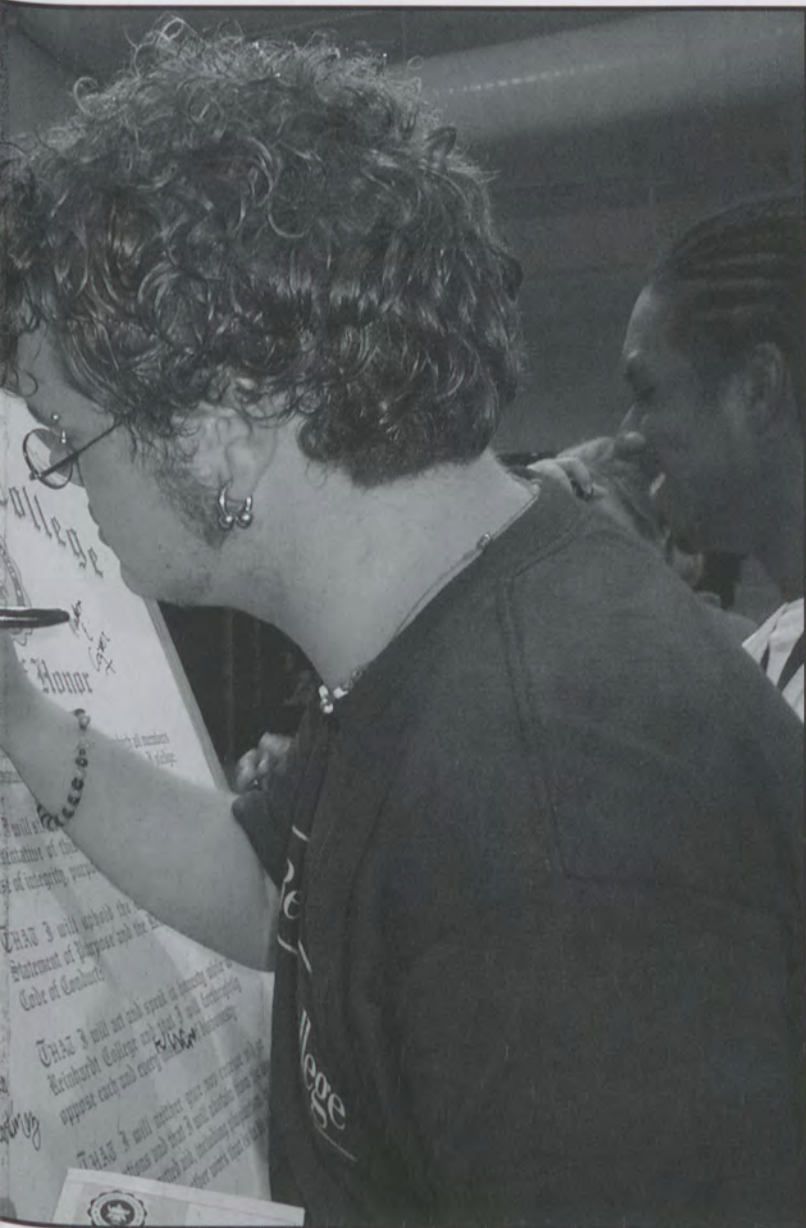

Some of events that take place during SOAR are SOARing with Campus Life and Parenting a college student for the parents and other guest. Students meet with their SOAR groups, which gives them the opportunity to meet their SOAR Leader, a Residence Assistant, and fellow students. There is a Freshman Induction Ceremony, which all incoming students learn about and sign the Reinhardt College Code of Honor.

Back-to-School Barbecue

On August 27, 2003 a "new" tradition was born at Reinhardt College. Instead of holding a formal Opening Convocation, which has been done for many years, the President decided this year to have a more informal community event that would be better received by students, faculty, and staff. At 5 p.m., approximately 600 members of 'The Reinhardt Family' gathered for the "Back-to-School Barbecue." After the meal, the newly renovated gymnasium was opened for tours. Mr. and Mrs. James Brown and Mr. and Mrs. Jim Boring, donors for the gym project, were our special guests for the event.

Alumni Day/Fall Festival

October 25, 2003

Alumni Day takes place each year in October and offers Alumni the opportunity to return to campus and catch up with former classmates and professors and stroll down memory lane. This event is now combined with a Fall Festival organized by students. In addition to the reunions and awards luncheon that Alumni have always enjoyed at this event, they can now bring their families along to enjoy the fun, outdoor festivities. The festival includes lunch catered by *The Varsity*, inflatable attractions, face painting, wax hands, caricatures, carnival games, and much more.

Eghoul Ball

What are you dressed as?

Andi Henry and Cody Baker are a pair of BLUE JEANS.

2nd and 3rd place winners for their fabulous costumes! Crystal Chastain went as a fishbowl, and Kimberly Cook went as a Bubble Bath! How cute!

This year's Eghoul Ball was once again ranked high on everyone's list of events. Some of the residence hall themes included: Waleska Fair, Fire Department, Alice in Wonderland, and the Teenage Mutant Ninja Turtles. Children from the community joined in to share the campus fun that involved lots of cotton candy, popcorn, and trick-or-treating. There were well-known cartoon characters like Blue from Blues Clues, Clifford the Big Red Dog, and Buzz Lightyear. Children came dressed as Minnie Mouse, Scooby Doo, Ladybugs, and lots more.

Later, the students enjoyed eating Buffalo Wings and dancing to the music of an amazing DJ at the *Reinhardt Hotel* in Gordy Center. The costume contest was difficult to judge this year. The winners were Rhett and Scarlet, the Bubblebath, and the Fishbowl.

Jason Methvin, dressed as a clown made animal balloons for the kids.

Angela Leanne Mitchell

Our Dearest Angela,

Thank you for over 23 of the most wonderful years of our lives. Being parents is the ultimate blessing, but being your parents goes a step further. Angie, you have always been so special. As a little girl you were not only cute and sweet but also very smart- always working so hard to please us in every way. We will never forget when you were in kindergarten and your teacher realized you could read. It seemed inevitable that you would become a teacher, from the moment your teacher started having you to help her with the class. Angie, your hard work and dedication to children and making a difference in their lives makes us so proud of you! You have surpassed all of the expectations and hopes we could have had for you as parents. You have a God given talent. Go out and use it to the

fullest. We hope you have everything life has to offer and most of all joy, happiness, and fulfillment.

All of our love,
Mom and Dad
