Dual Enrollment Counselor Consent Form

Students also have the ability to take elective courses in addition to those courses needed for high school graduation. Course options include: Zoology, Human Anatomy/Physiology, Geology, Psychology, Sociology, world geography.

Dual Enrolled students are responsible for notifying the high school counselor about his/her college schedule once initial registration has been completed. Students will be given a registration sheet from the university advisor, as well, as an official class schedule from the registrar. If the student desires to change his/her Reinhardt schedule after the first advising session approval from the high school counselor must be obtained before any changes will be made.

Reinhardt will provide two transcripts (one per fall and spring semesters) at no cost to the student. The student will need to complete the Transcript Request Form in the Office of the Registrar. Once final grades are posted for each semester the transcripts will be mailed directly to the high school.

Signing below, the counselor, parent, and student give their consent for the student to be enrolled at Reinhardt University as a dual enrollment student. I/We understand which successfully completed Reinhardt courses will satisfy the student's remaining requirements for high school graduation.
