

## Reinhardt University Public Disclosure of Student Achievement

Reinhardt University tracks each academic year the rates at which students complete courses, remain at the institution, graduate, and pass licensing exams. The institution also assesses its general education student learning outcomes by tracking graduating seniors' scores on the ETS Proficiency Profile.

### Measure 1: Course Completion Rate

Successful course completion at the undergraduate level means earning a grade of A, B, C, D, or P. Reinhardt's goal for successful course completion is to maintain an overall rate of at least 85%.

Academic Year	Total Course Enrollment	Preparatory & Lower Division Undergraduate Courses Completion Rate	Upper-Division Undergraduate Courses Completion Rate	Overall Course Completion Rate
2014-15	12,156	93%	96%	94%
2015-16	11,505	93%	96%	94%
2016-17	13,052	93%	97%	94%

*Note: Totals include fall and spring enrollments. Total course enrollment and overall completion rates updated on this report based on final year to date data.*

### Measure 2: First-Year Retention Rate

Retention rates are calculated for each cohort of first-time, full-time undergraduate students enrolled at Reinhardt in the fall semester. The first-year retention rate is the percentage of the freshman cohort who return to Reinhardt the following fall. Reinhardt's goal for this measure is to maintain a rate of at least 62%, representing the average for peer institutions of similar size and student demographics.

Cohort	Students in Cohort	Students Returning Next Fall	First-Year Retention Rate
Fall 2014	310	179	58%
Fall 2015	272	152	56%
Fall 2016	329	195	59%

*Source: Integrated Postsecondary Education System (IPEDS)*

### Measure 3: Graduation Rate

Graduation rates are calculated for each cohort of first-time, full-time freshmen. The 6-year graduation rate for Bachelor's degree seeking students is expressed as the percentage of first-time, full-time freshmen who graduate within six years (150% of "Normal Time" to completion for Bachelor's programs). Graduation rates do not include students who transfer to and graduate from other institutions after receiving a strong foundation from Reinhardt. The University's goal for this measure is to reach and maintain a rate of at least 38%, representing the average for its peer group.

Cohort	Students in Cohort	Students Graduating within 6 Years	6-Year Graduation Rate
Fall 2009	222	78	35%
Fall 2010	217	73	34%
Fall 2011	234	86	37%

*Source: Integrated Postsecondary Education System (IPEDS)*

### Measure 3: Graduation Rate (Continued)

In addition, Reinhardt tracks graduation within 150% of “Normal Time” for full-time transfer students: within 5 years for freshman-level transfers, within 4 years for sophomore-level transfers, and within 3 years for junior-level transfers. The University’s goal for the graduation of transfer students is to maintain a rate of at least 50%.

Cohort	Students in Cohort	Students Graduating within 150% of Normal Time	% Graduating within 150% of Normal Time
Fall 2009 Transfers	90	54	60%
Fall 2010 Transfers	134	71	53%
Fall 2011 Transfers	115	62	54%

### Measure 4: Licensing Passage Rate

The Price School of Education (PSOE) students are required by the Georgia Professional Standards Commission to take an external examination for licensure in their field in order to teach in the state’s public school system. Below are the PSOE students’ pass rates for the Georgia Assessments for the Certification of Educators (GACE) over the past three years. PSOE’s goal for the GACE pass rate is to exceed the statewide pass rates. For the past three years, the PSOE’s pass rate exceeded the statewide pass rate.

Test Year	Number Taking Assessment	Number Passing Assessment	RU Pass Rate	Statewide Pass Rate
2014-15	54	49	91%	83%
2015-16	53	47	89%	83%
2016-17	56	52	93%	80%

Source: Educational Testing Services (ETS). The statewide pass rate percentage is calculated for the teacher education programs offered at Reinhardt. Data for 2015-16 was updated on this report to reflect final year to date figures.

### Measure 5: ETS Proficiency Profile Score

Each year, graduating seniors take the ETS Proficiency Profile, a standardized test that assesses general education proficiencies and student attainment of the university’s general education student learning outcomes. Reinhardt’s goal for this measure is to score at or above the national mean when compared to all students at Liberal Arts Baccalaureate Colleges. For the past three years, Reinhardt’s average total score ranked at or above the national for the comparison group.

Test Year	Number Taking Assessment	RU Mean for Total Score	All Students at Liberal Arts Baccalaureate Colleges - Mean Total Score
2014-15	224	442	440
2015-16	151	440	440
2016-17	172	438	440

Source: Educational Testing Services (ETS)

NOTES: The scale range for the total score is 400-500. Comparative data for Liberal Arts Baccalaureate Colleges include tests taken between July 2011 and June 2016.
