CHAPTERS 30, 32, 1606, 1607, 35: The student is responsible for paying tuition and fees by payment deadline. Reinhardt University does not have an agreement with the VA to process tuition/fee waivers; therefore failure of the VA to pay students in a timely manner does not eliminate or delay a student's financial responsibility to Reinhardt.

POST 9/11: Veterans receiving Post 9/11 benefits must have a certificate of eligibility on file in our office. Failure to provide the certificate will result in the veteran paying full tuition by posted payment deadlines. Those who have a certificate on file and receive 100% of the benefit will have their tuition deferred. Any veteran receiving less than 100% of the Post 9/11 benefit will be responsible for any money owed and must pay by payment deadline.

I understand that I am responsible for confirming that all payments due the University are paid. I am also responsible to reimburse the VA for any overpayment made by the VA.
