

2023-2024 Reinhardt University Hagan Dependent Scholarship Application

A generous donation from Mrs. Blanche Hagan, as well as other alumni, friends, and numerous United Methodist churches, supports the Blanche Hagan Scholarship Program at Reinhardt. Approximately 80 students each year receive scholarships based on the specific criteria outlined below.

Hagan Scholarship recipients must be enrolled full time (at least 12 semester hours) at Reinhardt's Waleska campus. The initial award is renewable for subsequent years by maintaining a minimum 2.50 cumulative grade point average (GPA) and by meeting the requirements outlined below. Should an applicant be eligible for more than one type of Hagan Scholarship, the award will be made from the category which provides the recipient with the maximum scholarship possible.

Hagan Scholarships are restricted to cover the cost of tuition and cannot be used to offset other costs, including room and board or fees. As with all financial aid, the Office of Student Financial Aid is responsible for packaging the awards in accordance with federal, state and institutional policies. These awards are divided equally between fall and spring semesters and are not applicable to the summer term.

Hagan Scholarship programs have maximum budget allocations each year and the funds are awarded on a first come, first served basis. **All applications and required documentation for new Hagan Scholarship applicants must be submitted no later than July 1, 2023 for the 2023-2024 year.**

The application and/or any questions regarding the Hagan Scholarship Program can be addressed to the Office of Student Financial Aid at financialaid@reinhardt.edu.
