

# DN

# BARCODING

**SIX DAY**

## 2023 SUMMER STEM EXPERIENCE

**JUNE 6, 7, 8, 13, 14 from 8am – 4pm, June 15<sup>th</sup> from 8am – 6pm**

Samuel C. Dobbs Science Hall,  
Waleska Campus, Reinhardt University

**EXPERIENCE THE PROCESS OF SCIENCE IN THIS PROJECT-BASED CAMP**

- Use DNA barcoding to study Cherokee County's amazing and rich biodiversity
- A "DNA barcode" is a unique DNA sequence used by people to identify living things even when they're not experts
- For students entering 9th grade or higher
- Cost is \$120 per student, includes lunch, lab supplies and a t-shirt
