

## **GRE/GMAT Waiver Request Form**

A Reinhardt University MPA or MBA applicant can request a waiver of the GRE/GMAT application requirement. To file a request, an applicant submits to the Office of Graduate Admissions a completed GRE/GMAT Waiver Request Form, along with official supporting documentation which can include official transcripts and/or an employment letter stating one's work roles, supervisory capacity and work accomplishments. The graduate program's admissions committee will evaluate the request, and the decision will be communicated to the applicant by the Office of Graduate Admissions. Please note that the waiver is not guaranteed, and that the committee's decision is final.
