

Where's Waldo?: Canvas New RCE Version

Changes to Student View

Waldo's glasses can now be found at the top right-hand corner within your course. Click on the glasses icon and you can switch to Student View.

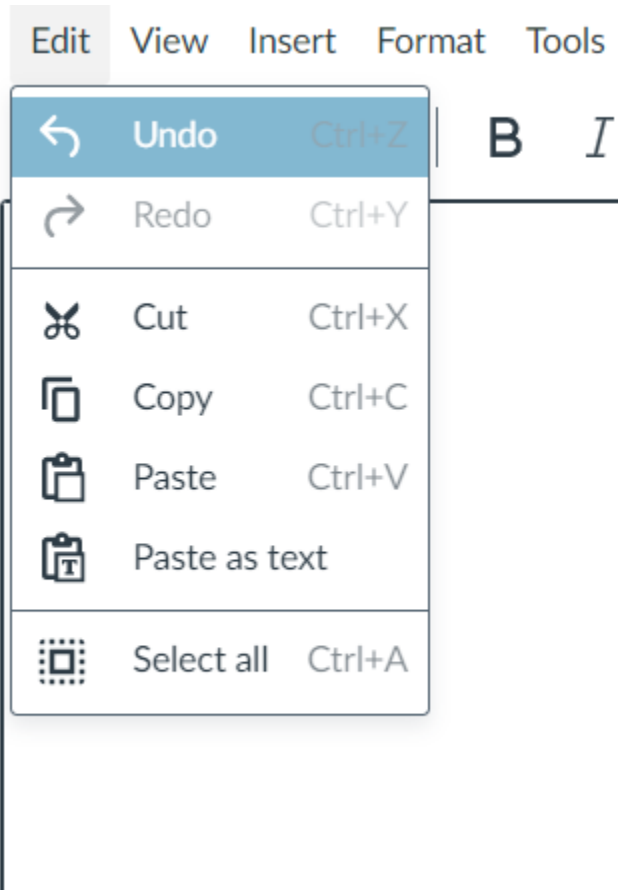

*Student View can still be found under Settings, located on the right-hand side of the page.

Editing Options:

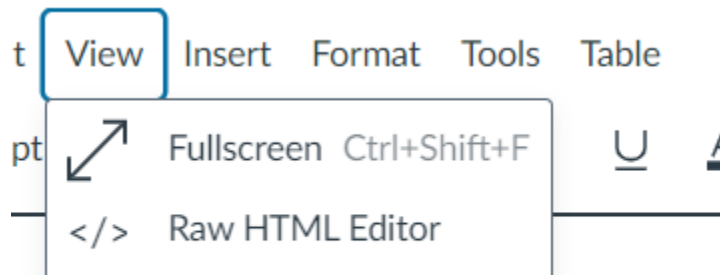

Under this button you can find your common Word Processing options.

View Options:

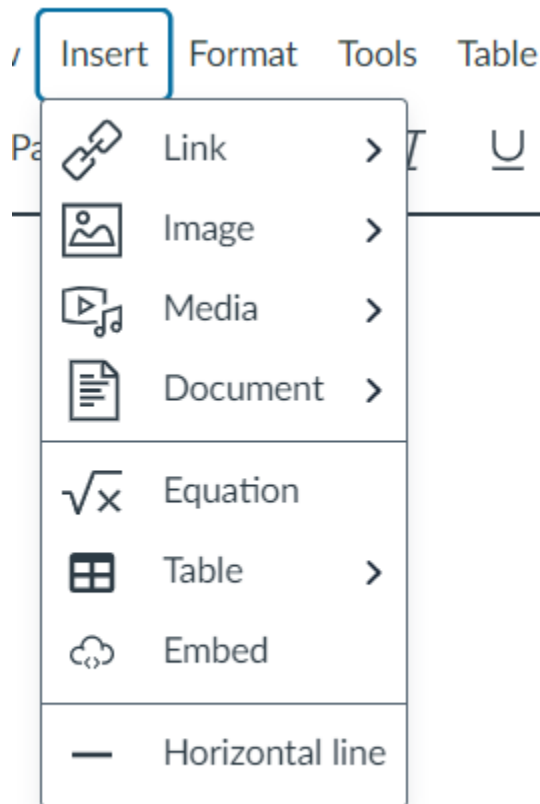

This option now **offers a full screen view** ! 

There is also an HTML Editor if you're into coding and all that stuff!

Insert Options:

From the Insert button, all of your Insert options are streamlined into one place.

Format Options:

Your format options offer your regular Word Processing features, in addition to a **newbie-“Code,”** all in one place!

The image shows a software menu with three tabs: 'Format', 'Tools', and 'Table'. The 'Format' tab is active. The menu items are as follows:

Icon	Option	Shortcut
B	Bold	Ctrl+B
<i>I</i>	Italic	Ctrl+I
<u>U</u>	Underline	Ctrl+U
S	Strikethrough	
T ²	Superscript	
T ₂	Subscript	
<>	Code	
	Formats >	
	Blocks >	
	Fonts >	
	Font sizes >	
	Align >	
	Directionality >	
<u>A</u>	Text color >	
	Background color >	
	Clear formatting	

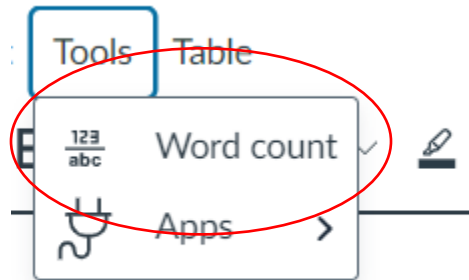

Additional UI elements visible include a vertical scrollbar on the right side of the menu, a 'page' label, and a small dropdown arrow.

Tools Options:

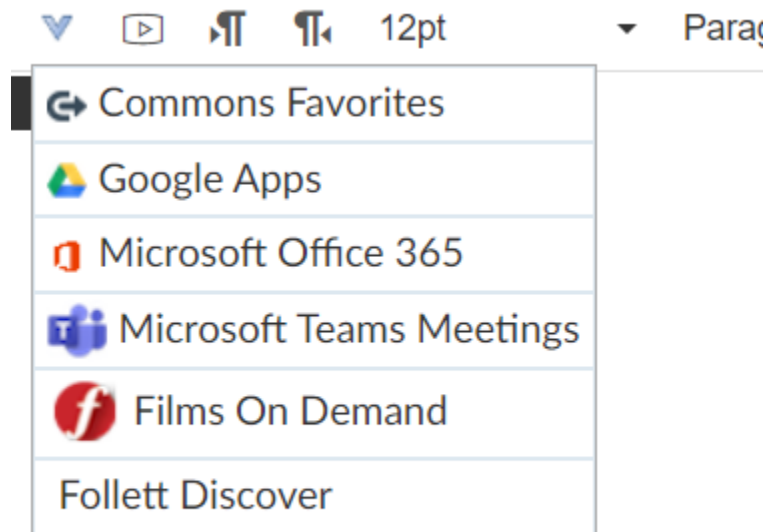

Look at that Word Count Feature!

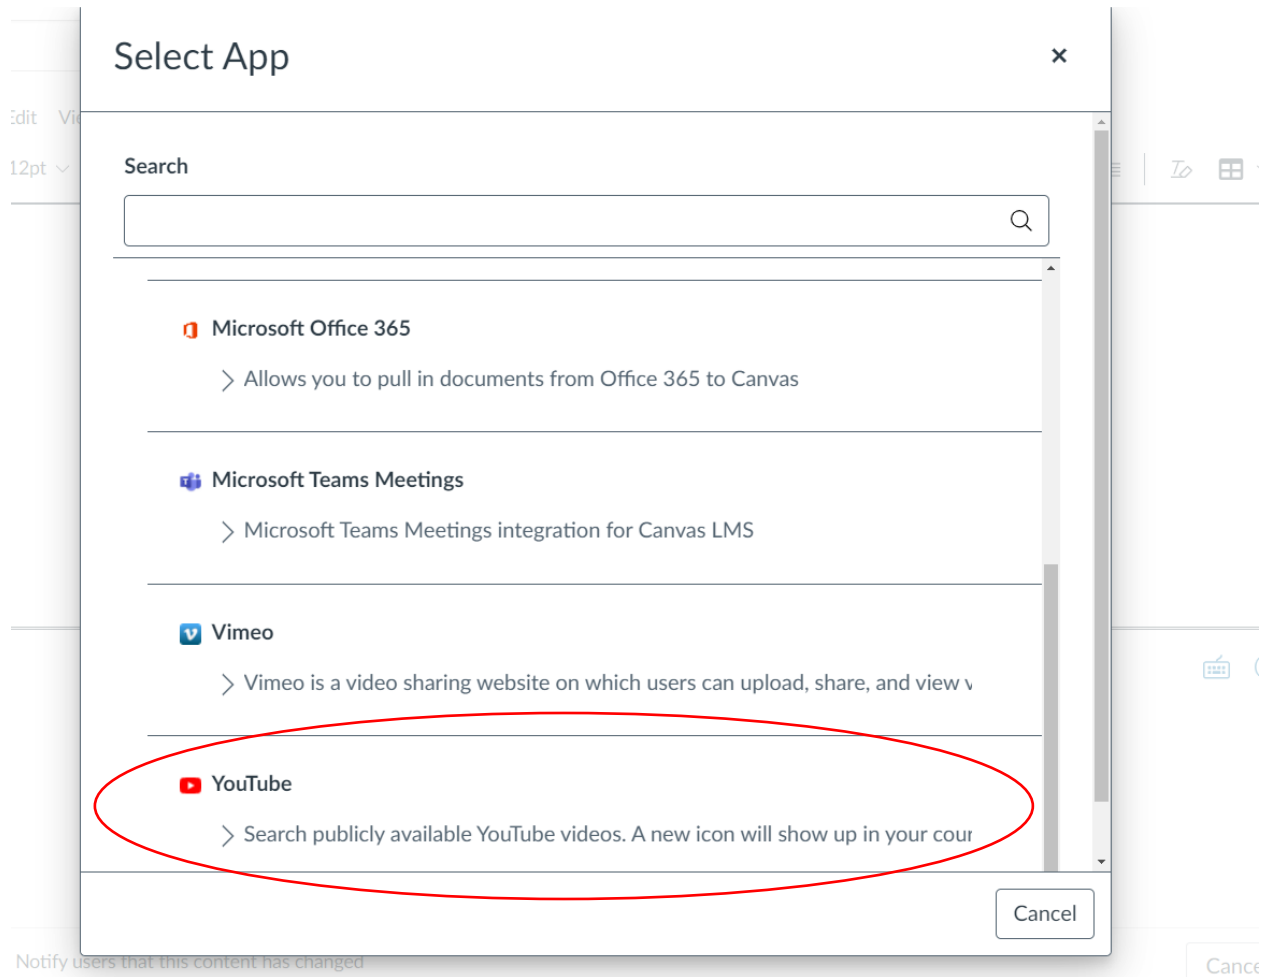

Now even students can use that feature when writing their discussion post responses! Or when submitting a “Text Entry” online assignment.

The “Apps” option under the “Tools” options used to look like this, a separate icon on the former RCE tool bar:

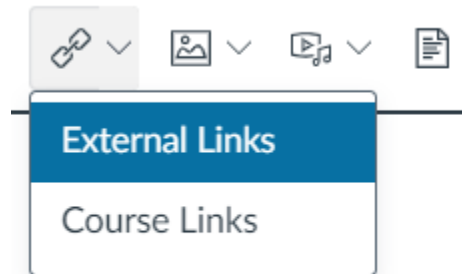

Now, under Tools> Apps, you can find all your External Tools, including your beloved YouTube if you like to embed your videos!

Links Options:

Under Links, you can insert External Links (websites, etc.) and Course Links:

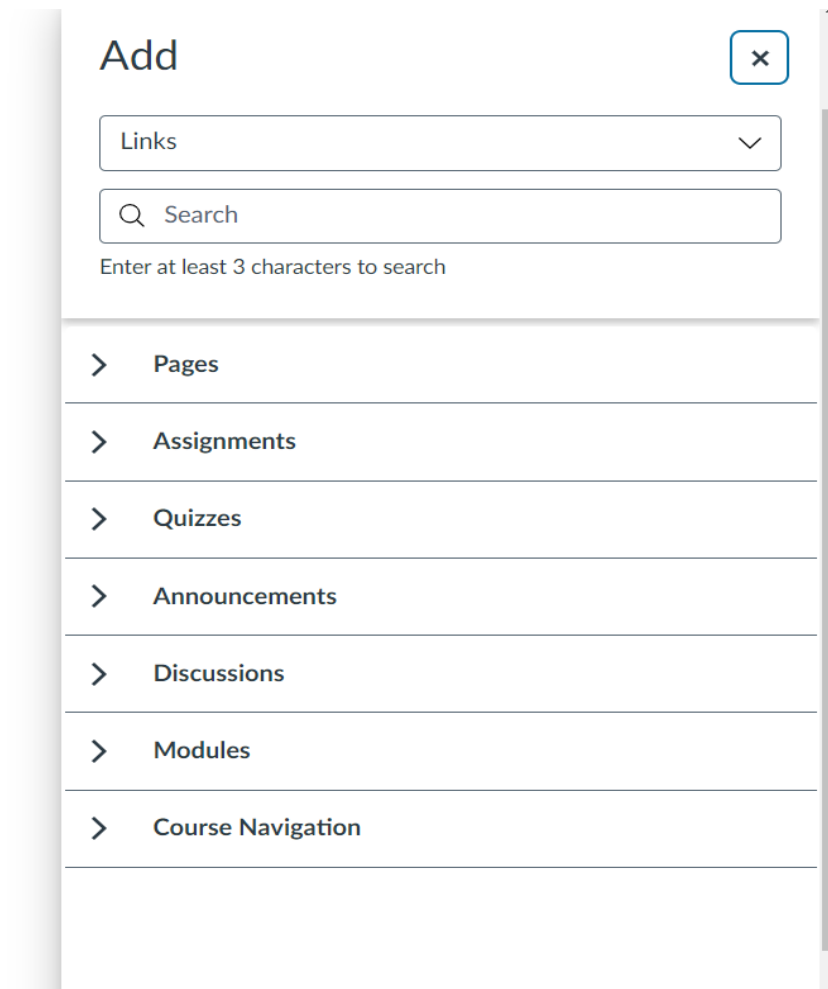

“Course Links” used to be located in the right-hand content linking bar:

Links Files Images

Link to other content in the course. Click any page to insert a link to that page.

- > Pages
- > Assignments
- > Quizzes
- > Announcements
- > Discussions
- > Modules
- > Course Navigation

Now, click on "Links" and this will appear... same design just different location:

The image shows a vertical 'Add' dialog box with a light gray background. At the top left is the word 'Add' in a bold, dark font. To its right is a small square button with a blue border and a black 'x' icon. Below this is a search bar with a rounded rectangle border, containing the text 'Links' and a small downward-pointing chevron icon on the right. Underneath the search bar is another rounded rectangle containing a magnifying glass icon followed by the text 'Search'. Below the search bar is a smaller, lighter gray rounded rectangle containing the text 'Enter at least 3 characters to search'. Below this is a list of seven items, each on a separate line with a thin horizontal separator below it. Each item starts with a right-pointing chevron icon followed by the item name: 'Pages', 'Assignments', 'Quizzes', 'Announcements', 'Discussions', 'Modules', and 'Course Navigation'. The dialog box is partially overlaid by a vertical gray bar on the right side.
